MRS. E. F. GALLAGHER CHRYSLER SERAN STOLEN

Some time after one o'clock last Wednesday morning some one stole the Chrysler "72" sedan from the garage at the Mrs. E. F. Gallagher residence in the northeastern part of the city. Members of the family returned from a party about one o'clock that night and say that the sedan was there at that time. A large new Cadillac, belonging to friends who were visiting at the Gallagher home, was in the same garage with the car that was stolen; the gears of the Cadillac were locked, but those of the Chrysler were not.

The stolen Chrysler was practically new having been out less than a year. The name "Mrs. E. M. Gallagher" was on the instrument board in gold lettering.

The car was insured against theft. No word has been received as to the whereabouts of the car at the time of going to press.

Several parties have advanced the theory that yegs who held up and robbed the Newman Grove State Bank last Monday afternoon may have taken the sedan.

A CLEVER CROOK ROBS GOLDEN HOTEL GUESTS

Some time during last night a clever sneak thief robbed five rooms occupied by traveling salesmen, in the Golden hotel. The rooms were all locked and bolted on the inside, and it is apparent that the job was done through the transom. In each instance the thief evidently procured the trousers of the victim with a hook of some kind through the transom; the trousers were all left in the rooms.

This morning a number of checks and a flash light were found in an unoccupied room.

No clew to the theft has been uncovered.

The total loss will amount to about \$100.00. The heaviest loser was E. G. Shephard, the gentleman whose car was stolen from in front of the Golden on Wednesday evening of last week. Mr. Shephard lost about \$40.00.
