'55 Class Mothers Honor Bride to Be

By Mrs. Evelyn Gray

A bridal shower, honoring Miss Marian Heiss was sponsored by the class mothers of the class of '55.

The program consisted of numbers by a girl's quartet, namely, Misses Faye Rutherford, Lurann and Sharon Crumley and Dixie Nissen; a solo by Miss Aletha Rutherford. "Those Wedding Bells are Breaking up that Old Gang of Mine"; Mrs. Marvin Stauffer read an original poem composed for the honored guest.

The class mothers served seventy to a dainty luncheon. Miss Bonnie Heiss had charge of her sister's gift book.

NEBRASKANS ARE SAYING:

Mr. and Mrs. B. W. Ammerman, Scotia, Nebraska:

"Electric heat is the homemaker's dream. No dirt or noise. We are warmer with the thermostat at 70° than we were with other types of heat at 78 or 80°."

Mr. and Mrs. Leo Beebe, Scottsbluff, Nebraska

We recommend electric heat to anyone. It saved us money on installation costs compared to other type systems. We are completely satisfied with our electric heat.

Mr. and Mrs. Durd Moore, Columbus, Nebraska

The first thing we noticed was the even temperature between the floor and ceiling, and the absence of cold drafts. Electric heat is safe for the children.

Mr. and Mrs. Harold Thompson, Lincoln, Nebraska

Every room in the house is warm for the first time. It is very clean. The operating cost is comparable to other types of fuel. We recommend it.

Mr. and Mrs. Harold Major, Grand Island, Nebraska

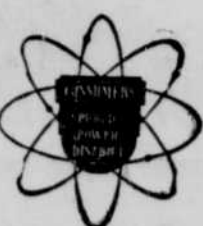

More comfortable than any other heat. It did away with the noise and drafts we had from our forced air system. We now have positive control of the temperature in our home.

ANOTHER GOOD REASON TO HEAT ELECTRICALLY

The electricity you use for heating is measured by the same meter that measures the electricity you use for lighting and appliances. Thus, you receive the benefit of an accumulated lower rate on all the power you use.

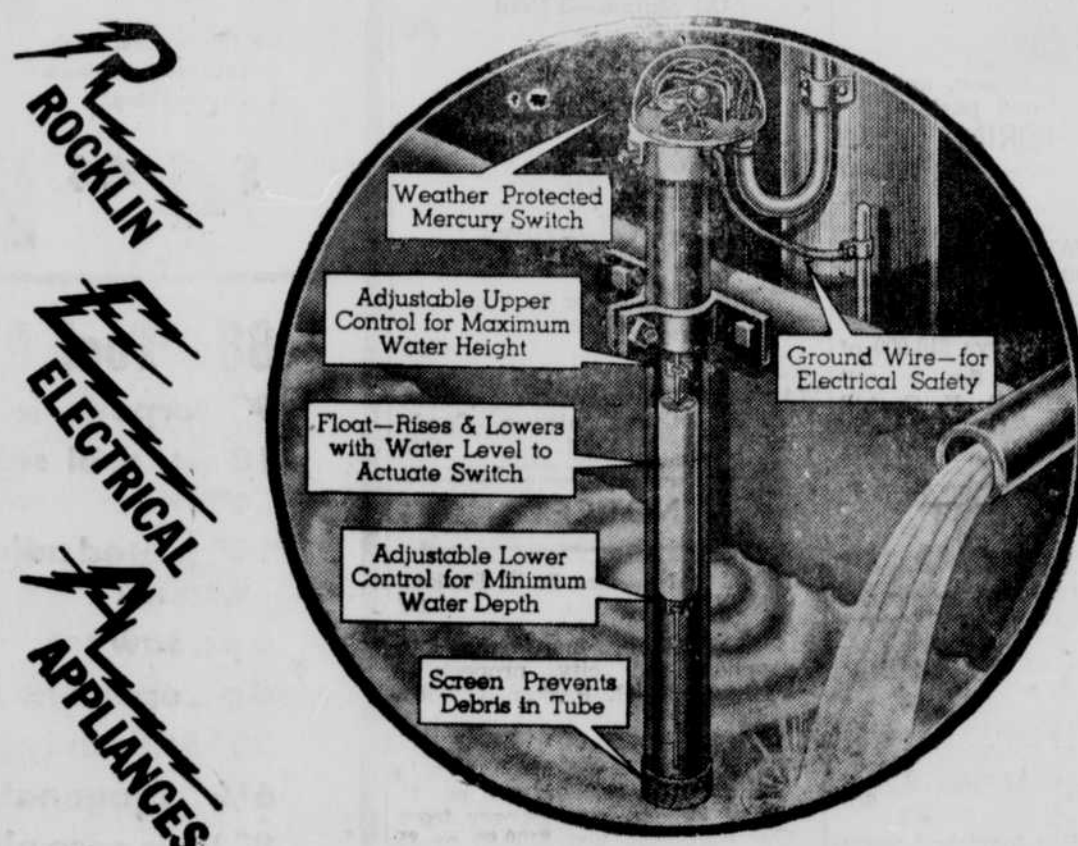

See your electrical contractor or Consumers heating representative!
