plaintiff, filed his petition in the District Court of Holt County, Ne-days in Lincoln last week in the Banks.

The deadline for placing 1959-crop under price support loan in Holt County is May 26th, the County Agricultural Stabilization and Conservation Office announced today. This date has been set by the County Agricultural Stabilization and Conservation Committee to alpetition on or before the 13th day low time to inspect the storage structure, measure the corn, and Dated May 3. 1960.
PHIL HARRINGTON, Plaintiff, ture tests. Commodity Credit Cortake samples for grade and moisporation regulations require that these items and all the necessary loan papers must be completed not

later than May 31. To be eligible for a price support loan, corn must be stored in an approved structure and dur-ing May must not contain more than 16.0 percent moisture, if in the ear, or 14.0 percent, if shelled. Purchase agreements are avail-able through May 31 to those who do not care to place 1959-crop corn under loan. Under purchase agreements the owner pays a nominal service fee for the agreement and may deliver the specified quanity of corn to CCC at the time the regand grown. Mrs. Boelter served a ular loans mature. Since no money is borrowed, there is no interest to pay. Another feature is that purchase agreement corn is not graded or tested for moisture until time for delivery to CCC. De livery of the corn to CCC is op-tional with the owner. He cannot, however, deliver more corn than is specified in the agreement.

Chairman Ressel of the Holt County Agricultural Stabilization and Conservation Committee today reminded wheat growers that the date by which the grower who wishes to comply with his 1960 wheat allotment must dispose of

any excess acreage. The grower who brings his acreage for harvest down to this allotment, Mr. Ressel said, may market all his wheat without pen-alty, is eligible for wheat price support and Conservation Reserve payments and gets credit for ac-reage diverted from wheat in com-Mrs. James Coventry attended puting future allotments.

> Farmers who have placed part of their cropland in the Conserva tion Reserve have an important crop acreage limitation to consider before completing their planting this spring, according to Ressel Chairman of the County Agricultural Stabilization and Conservation Committee. That limitation is the acreage of Soil Bank base crops that may be planted on the farm. In general, the Soil Bank base crops include the grains, row crops, and oilseed crops.
>
> When part of the croplend on a farm is placed under a Conserva-

established for the farm. The permitted acreage then becomes the Cancer Fund in memory of our loved one, those who sent flowers, those who brought food to the home, and to all those who helped in many ways.

Mr. and Mrs. Albert Reynolds in the program, the permitted action and family visited Mr. and Mrs. reage of Crops for harvest is zero.

Raymond Taylor at Page Saturday in the program, the permitted action and family visited Mr. and Mrs. Raymond Taylor at Page Saturday evening.
