A Poem From Mrs. Eby . . .

—If We Knew—

Could we but draw the curtains that surrounds each other's lives
See the naked heart and spirit, know what spur the action gives
Often we should find it better, purer than we judge we should,
We should love each other better if we only understood.
Could we judge all deeds by motives, see the good and bad within,
Often we would love the sinner all the while we loathe the sin;
Could we know the powers working to overthrow integrity,
We would judge each other's errors with more patient charity.
If we knew the cares and trials, knew the efforts all in vain,
And the bitter disappointment, understood the loss and gain,
Would the grim, external roughness seem, I wonder, just the same?
Would we help where now we hinder? Would we pity where we blame?
Oh, we judge each other harshly knowing not life's hidden force;
Knowing not the fount of action is less turbid at its source.
Seeing not amid the evil all the golden grains of good,
Oh! we'd love each other better if we only understood.

The Wisest Choice...at The Wisest Time!

Is there a "right" time to move up to Cadillac?

Ordinarily, our advice would be to put considerations of year and season aside when you think of the "car of cars". For Cadillac always stands alone in what it is and does and represents—and the pleasures of owning this fine motor car are timeless as they are tempting.

Yet, today there are very special benefits awaiting the man who purchases a new Cadillac.

Consider the merits of the car itself.

Cadillac styling and engineering have produced for 1960 at their bountiful best. There is a look of beauty and a sense of fitness in every line. Its performance is truly classic—and its luxury is a constant inspiration.

VISIT YOUR LOCAL AUTHORIZED CADILLAC DEALER

And then, of course, there are these important factors of practicality. The car's current delivered cost promises a most pleasant surprise—its careful craftsmanship pledges an economical future—and its great reputation means a resale value that is predictably satisfying.

Moreover, your dealer is currently in a position to extend a generous allowance on your present car.

So if you feel the time has come for your new Cadillac, you can count yourself doubly fortunate. For you will be making the wisest choice in motordom at the wisest possible moment.

See your nearest Cadillac dealer soon—and see if we aren't right about this splendid opportunity!
