PEOPLE DON'T go driving just to read billboards. PEOPLE DON'T have windshield wipers so there will be a place to tuck advertising matter. PEOPLE DON'T build front porches to have a place where circulars, shopping sheets, etc. can be thrown. PEOPLE DON'T turn on TV or radio and sit by it constantly waiting for commercials. BUT WHEN PEOPLE DO — lay 7 cents on the line for a copy of The Frontier, you can be sure they are buying it to read. You can be sure that The Frontier will stay in the home and be picked up many times by all members of the family until the following week's Frontier arrives. You, advertisers, are assured the reader is going through The Frontier carefully to get his 7 cents worth. Every dollar spent in advertising in The Frontier will get far better returns than that spent for any other kind of advertising. LET US PROVE IT!
