## A Poem From Mrs. Eby . . .

—Keep Christ in Christmas—  
The birthday of our Lord draws near;  
The "Day of Days" of all the year;  
A day of hope and joy and cheer,  
Keep Christ in Christmas.

Let not old Santa crowd him out,  
With whiskers gray and body stout;  
He helps the world forget about  
The loving Christ at Christmas.

The day is Christ's by right divine,  
A day no myth should undermine,  
A day when thoughts and deeds  
Keep Christ in Christmas.

When every message, every gift,  
Should in some joyous way uplift  
One's every thought and make  
them drift  
To Bethlehem at Christmas.

Beyond all else this all should be  
A day of holiest memory,  
When all the world should joyfully  
see  
Christ, it's Lord, in Christmas.

Give other things a minor place,  
But tell to men in every race  
The story on this "Day of Grace"  
"Oh! let's keep the Christ in  
Christmas."  
(Harriet Clark)

To keep table linens in top-notch shape, follow these simple but important rules. If you haven't time for a complete laundering job immediately after the holiday meals, try to remove the stubborn stains as suggested below. Those special holiday cloths and napkins may be stored away laundered, but uniforms—preferably rolled instead of folded in order to prevent wear along crease lines.

**ADHESIVE TAPE** — Apply kerosene, then wash in hot suds.

**ALCOHOLIC BEVERAGES** — Soak or sponge with cool water promptly, then wash in warm suds.

**BALLPOINT INK** — Apply carbon tetrachloride first, then wash at once with warm suds.

**CANDLE WAX** — Scrape off excess wax with a table knife. Place stained spot between white blotters and press with hot iron. Then rub spot with cold lard or turpentine and wash in warm suds.

**CHEESE** — Scrape off excess with table knife; sponge with cool water and wash in hot suds.

**CHOCOLATE OR COCOA** — Wash in hot suds. Treat any remaining stain with a weak solution of household bleach or hydrogen peroxide and re-launder in hot suds.

**COFFEE AND TEA** — Stretch the stained fabric taut over a bowl and pour boiling water through it from a height of 3 or 4 feet. Then wash in hot suds.

**EGG** — Scrape off excess, soak in cool water, then wash in warm suds.

**GLUE** — Soak in warm suds, until dissolved, then launder in fresh warm suds.

**GRAVY AND WHITE SAUCE** — Soak in cool water, then wash in hot suds.

**ICE CREAM** — Sponge the spot with cool or luke warm water to loosen cream and egg. Then wash in hot suds. If flavoring stains remain, follow direction above under chocolate.

**LIPSTICK** — Soften with glycerine, then launder in hot suds.

**MEAT JUICES** — Soak in cool water, then wash in hot suds.

**PAINT** — If fresh, use lots of hot suds. Otherwise, apply turpentine, kerosene, or lard and then wash in hot suds.

**SOFT DRINKS** — These stains are usually colorless at first but may turn brown if allowed to stand. Therefore, they should be removed at once by sponging with cool water or with equal parts of alcohol and water. Rub glycerine into the stain, let it stand half an hour, rinse with water, and then launder in hot suds.
