## Christmas And Life Insurance

CHRISTMAS IS MANY THINGS; yet Christmas is really only one thing. It is the time of the year when people are moved by the desire to do for others.

The leading reason that sells insurance is the willingness of a person to forego personal pleasures to provide protection for his loved ones. Among the wonderful thoughts you must have during this season, why not include the answer Yes to the question. Have I done the best I can to provide for my family should anything happen to me?

Only you can ask yourself this question, and only you can answer it. If your answer is NO, then let us help you make this the most satisfying Christmas you have ever had.
