

Meet Your Correspondent

(Another story in the series of "Meet Your Correspondents"). Mrs. E. R. Carpenter of Chambers is not only the correspondent for the Frontier, but is also a publisher of her own "sheet". For the past 11 years she has made and mailed out each week a mimeographed sheet known as "The Chambers Shopper", containing ads, notices, cards of thanks, etc. from the community. These go into nearly 500 homes in the Chambers, Amelia and Ewing trade areas.

Her experience as a news writer has been entirely with the Frontier, having started writing while Mr. Cronin was publisher, and continuing during the time Cal Stewart owned the paper and up to the present time.

The Chambers correspondent was born near Elgin in Antelope county, of pioneer New England stock. She attended school in Oakdale and Neligh except for three years at Rushville, and graduated from the Neligh high school with the class of 1917. She taught school that fall in Wheeler county.

In the spring of 1918 she was married to E. R. Carpenter ("Carp"), and while her husband was in the service in France she again taught school, this time in South Dakota. Incidentally she didn't change her name when she was married—it has always been Carpenter.

Mrs. Carpenter's married life has been spent mostly in Holt county, having lived for four years on the Riley Brothers ranch (now known as the Tom Baker ranch) west of Amelia. The couple has lived at their present home four miles northwest of Chambers for 36 years, where their main interest, aside from the family, has been their herd of purebred Shorthorns.

The family consists of three daughters, Mrs. Donald Grimes, Ft. Collins, Colo., Mrs. Dean Stevens, Atkinson, and Mrs. Ben

Medcalf, Minneapolis, Minn.; four grandsons; three granddaughters and a "new" great granddaughter born July 26 of this year.

The Frontier writer is a member of the Chambers Methodist church and she has been active in both church and Woman's society work. She has been an active member of the American Legion auxiliary for about 20 years, and at the present time is serving as secretary. She is a charter member of the Valley Center Extension club, one of the first clubs to be organized in Holt county.

It is a pleasure to have a woman like Mrs. Carpenter connected with the Frontier newspaper. She enjoys life and is very much interested in the welfare of her friends and neighbors.

Cadillac presents for 1962 the Masterwork of the Motoring Age

Fleetwood Sixty Special, above; Sedan de Ville, below.

You have had your first look at the new "car of cars".

Its name is Cadillac—and its destiny is a place among the most renowned automobiles of our time.

Its new styling is remarkably clean and crisp and graceful—with a look of "rightness" in every line and contour and detail.

Cadillac's new Fleetwood interiors beckon with a jewel-like beauty. There are marvelous new fabrics and leathers . . . and new conveniences and appointments on every hand.

Engineering triumphs include independent front and rear braking . . . exclusive new cornering lamps that light your way around turns . . . and a revolutionary three-phase rear lighting system.

Yet, some of the noblest advances cannot be seen. They must be felt and sensed—performance that is incredibly quiet and smooth and nimble . . . handling ease so great that the mere weight of your hand puts you in command of the road . . . craftsmanship that is so practiced and so precise that the car has

become a marvel of construction and a paragon of dependability.

These new Cadillac wonders are evident in each of twelve new body styles—and are available with the widest selection of interiors in Cadillac history.

Even if you have never before considered a Cadillac—you should take a journey in this one.

It's Cadillac for 1962. And we suggest you inspect it soon at your nearest authorized dealer because you'll be hearing a lot about it.
