

# SMA, Norfolk Burns Tie 0-0; Eagles Continue To Roll

## Cards, Burns Fight to 0-0 Tie; To Battle at Ewing on Friday

The Cardinals failed to profit from a lesson they taught St. Cecilia the previous week, as they time and again lost possession of the ball via fumbles, interceptions, and mental miscues. Dispite the fact that they gave up possession of the ball four times by fumbles, twice by interceptions plus being forced to punt once, the Cards nevertheless salvaged a tie from a team that they were favored to beat by 3-4 touchdowns.

SMA opened the game with a 69-yard drive that carried to the 10-yard line before bogging down. This drive took 14 plays and found the Cards moving the ball well both on the ground and in the air, but once halted they failed to jell again until the closing minute of play. The next six times SMA had the ball they managed to lose the ball in four plays or less, thus stalling anything in the way of an offensive threat.

The Knights had the ball all but three plays of the third quarter but were unable to muster any type of scoring threat until the final four minutes of the game when they drove to the Cards 7-yard line before St. Mary's halted their drive with 1:15 left in the game. Behind some fine receiving by little Tommy Wanser the Cards raced downfield to cover 65 yards in seven plays only to have the clock run out before they could score.

All was not dark though for the Cards demonstrated some

fine defensive play and moved the ball well when they weren't fumbling. Having the ball for only 36 plays they gained 223 yards for a 6.2 per play average as compared to Norfolk Burns 193 yards in 49 plays for a 4. average.

The fine tackling by Wanser, Jim Sullivan and Ray Belina plus the forward wall play provided the crowd with plenty of hard hitting football.

It was an exciting game for the viewers as both teams had opportunities to score. The competitive spirit between the two teams plus the excitement of St. Mary's homecoming celebration brought about an air of unbeatable suspense to the onlookers.

SMA is undefeated after eight games, seven victories and Friday night's tie. The last St. Mary's club loss was a year ago when the Knights won 14-7.

St. Mary's is now 4-0-1 this season.

The Cards hoping to rebound from their poor showing in the 0-0 tie with Burns last week, will journey to Ewing Friday night.

The Tigers with but a 1-4 record have a team composed mainly of underclassmen and look to be a year away. Dispite their win-loss record the Ewing Tigers are not to be overlooked, as the only dark spot on their record is last week's upset by Springview. Other defeats have been to some of the area's top teams, Battle Creek, Spencer and Stuart.

The Cardinals, with Norman Mudloff and Terry Tomjack prob-

ably seeing limited action, will find a couple of new faces in the lineup. Dick Larsen, freshman guard will replace Tomjack on offense while Mike Hammond will fill in on defense.

A number of reserves showed well in last Monday's scrimmage, and undoubtedly will see lots of action in the remaining games. Those meriting special notice, were Joe Shoemaker for his defensive play and Bill Pruss who has moved into the No. 2 quarterback spot.

The St. Mary's Reserves will journey to Spalding Monday night for a 7:30 game with the Spalding Academy reserves.

Creighton picked up a first down when Davids ran for 25 yds. From there they went nowhere and were forced to punt.

In this drive Kurtz completed two of his many aerials of the evening, one to Schmeichel for 8 yds and another to Hill for 5 yds. Curt Larson had a 24 yd run in this drive. Larson suffered an injury to the elbow on the run and was sidelined for the rest of the game.

Creighton took the ball and moved to the O'Neill 23 yard line before Steve Peterson recovered a fumble for the Eagles. From there O'Neill drove to paydirt with Kurtz throwing and McGinn, Havranek and Kilcoin running. The touchdown came on a 10 yd pass from Kurtz to Kilcoin standing in the end zone. The extra point try failed and O'Neill led midway in the second quarter 6-0. Rick Devall recovered a fumble to stop the Bulldogs offensive move on the Eagle 35 yd line. With Jerry Kilcoin and Jack McGinn picking up good yardage, OHS moved to the Creighton 1 yd. line. Another fumble stopped the Eagles drive.

The Bulldogs were unable to move and Mike Hand recovered another Creighton fumble. This gave the Eagles a first and goal on the 1 yd line. Kurtz took the ball in on a quarterback sneak and a pass play for the extra point gave O'Neill a 13-0 lead at half time. Fumbles told the story of the first half.

OHS kicked off to Creighton to start the second half and the Eagles looked like a much improved ball club. They forced the Creighton boys to punt and from there they drove 43 yds to score.
