

BIG

CAPACITY... BIG VALUE NEW WESTINGHOUSE FREEZER

Holds 718 pounds! Buy in bargain quantity. Grow and freeze it yourself. The giant new Westinghouse Freezer can hold it all . . . even a full five month's supply for large families.

And look at these features: a built-in tumbler lock for maximum security of your food supply; adjustable temperature control dial to assure quick freezing; convenient lift-out baskets that give plenty of up-top storage for often-used foods; plus a 3 Year Warranty against food spoilage . . . at no extra cost.

Before you buy any freezer, make sure you compare the features of the 1961 Westinghouse with other freezer brands. Then compare the special, low price offered you by your Westinghouse Dealer. *You can be sure... if it's Westinghouse.*

Genuine Porcelain Enamel Interior gives lasting protection. Won't rust ever. You can count on long years of extra service, and it's easy to wipe clean, too.

Special Quick-Freeze Compartment provides fast freezing to lock in flavor. Quick freezing preserves nutritional value . . . helps prevent vitamin loss.

A Model for every Budget! You have a full line of quality Westinghouse chest and upright freezers to choose from. 9.5 to 20.5 cu. ft. storage capacities.
