### Injuries Plague Gene Schneider

It has been a frustrating season for Gene Schneider, a starting halfback en Wayne State's football team.

Leg injuries have hampered him most of the season, keeping him out of the first game and most of two others. He missed the last game Saturday because of another injury in the Peru game a week earlier. He cracked an ankle bone when he ran out of bounds onto a concrete curb.

Yet with all the handicaps the O'Neill junior ranked second in rushing yardage after the seventh game in which he played (the team's eighth). He gained a net 268 yards on 54 carries. His play average of 5 yards topped the

Coach Gwynn Christensen rates Schneider as one of his most powerful runners, also among the fastest though his long stride makes the speed deceptive.

Schneider's defense has been a welcome bonus this year as he developed new skill in breaking up deep enemy passes and running thrusts, Christensen notes. Schneider lettered in football two years at St. Mary's academy, O'Neill. His parents are Mr. and Mrs. Leo C. Schneider.

### **Final Game**

This was the final game for both teams and gave the Cards 6-1-1 record and Spalding a 6-2 mark. Both teams displayed some good running as the game was played in a steady downpour from the start of the second quarter to the end of the game. Due to the fine turf both teams found the rain helping their offense and hindering the defense rather than the usual opposite, as runners were still able to maintain their footing where as tacklers were unable to hang on to the wet slippery ball carriers.

Spalding received the kickoff and behind a powerful singlewing offense moved from their 28 to the 44 before being forced to punt. The Cards starting on their 19 moved to Spalding's 30 before a fumble halted their drive. The Irish again moved the ball well as they advanced to St. Mary's 40 before Irish again moved the ball well as they advanced to St. Mary's 40 before two timely defensive plays by Owen Donohoe halted the drive and forced them

to punt, as the quarter ended. Crisp blocking by the forward wall opened up nice holes up the middle for SMA and Spitzenberger wisely selected his plays, plus giving some timely blocks to help spring the runners whenever they swept the ends, with the net result being a 63-yard drive capped with Ray Belina going in from the 1-yard line and Gene Shoemaker adding the extra point to make it 7-0 as the rain began.

Once again the Irish moved, this time to the Cards 19-yard line before the Cardinals defense proved their toughness, shortly before the half ended.

The seceond half found SMA taking the kickoff on their own 43 and quickly parading to paydirt with Belina again getting the marker this time from 3-yards out and Shoemaker adding the point. The final score came during the final period as Spitzenberger skirted right end for 28 yards with Shoemaker again getting the point to make the count

Spalding drove to the Academy's five-yard line in the closthrew up a stubborn goaline defense to halt the threat, then proceed to move the ball to Spalding's 25 as the game ended. A well played game by all

hands, was the payoff for SMA as they blocked and executed their plays to perfection. Ray Belina, the Cards running ace, found the rain to his liking and taking advantage of the fine blocking romped 201 yards to singlehandly outgain the visitors. Gene Shoemaker and Jim Spitzenberger, co-captains, finished

out their school careers with fine performances picking up 57 and 79 yards, respectfully, plus excellent defensive play. The unsung heros upfront did

good job and much of the credit must go to five senior linemen playing their final game, Tackles Jim Frederickson and Mike Kamphaus, Guards Lynn Gallagher and Richard Pongratz and center Callan Peter. The rain found most of the fans
