REGULAR CATTLE SALE
Monday, Jan. 29
Last Monday we sold 450 Hogs and 350 Cattle

On the hog sale last Monday we sold all No. 2 and No. 3 hogs. So due to the fact that we didn't have any No. 1 hogs we couldn't establish a top. Our top on No. 2 hogs weighing 234 lbs. went to Lionel Gibbs of Clearwater at \$17.45.

The cattle sale was a good 50c to a \$1.00 higher on all classes of cattle. Due to the cold weather our cattle runs have been light but it hasn't effected the buyers who want the cattle.

We could use more cattle to fulfill our buyers demands, so consign your cattle at the Ewing Livestock Market and join our list of satisfied customers.

PEOPLE WHO SERVE NEBRASKA

YOUR 4-H AND FFA LEADERS AND COUNTY FAIR BOARDS

Much of the future prosperity of this area depends upon our agricultural economy and on the farmers and ranchers who are trained to achieve the greatest possible results.

Future Farmers of America and 4-H programs, which are features of all our County Fairs, teach good farming methods and inspire youngsters to greater effort for a productive career in agriculture. Soil conservation programs help to preserve the fertility of our soil.

FFA counselors, 4-H leaders and soil conservation committeemen who make these programs effective are, like the members of the County Fair boards, unpaid for their efforts and give freely of their time. Ak-Sar-Ben is proud to recognize these agricultural leaders for their contributions which are similar to those made by Governors and Councilors of Ak-Sar-Ben, who receive not one penny for guiding the organization's worthwhile programs.
