Six Errors Mar Legion Game With Bloomfield

The O'Neill Junior Legion tapered off a bit, playing only one game this past week, but after their Friday night showing it may be best that they extend their rest.

The local squad committed six errors, three of them in one inning, and stumbled to a 7-4 defeat at the hands of a well-coached Bloomfield outfit.

Keith Reynolds was O'Neill's hard luck hurler, scattering eight hits and striking out eight. Whitey Mumm was touched for six hits while going all the way for the winners.

Lyle Stewart was the only O'Neill inspiration throughout the evening, hitting safely in three of his four appearances at the plate and raising his batting average to the .322 mark. Sam Knepper added a single in three trips, bringing his team-leading mark to an even .400 average.
