Announcement

Special Fall and Winter Cattle Sales will be held again this year at the BUTTE LIVESTOCK MARKET -- every other Saturday starting Saturday, Sept. 15.

Again we ask you to consign your livestock, so we may include your consignment in our extensive advertising program which includes four different midwest radio stations and numerous newspapers, which brought buyers in last year from five Midwest States.

To our old customers we thank you for the way you cooperated the past years and we send out a special invitation to the many livestock producers who have not, as yet, tried our Market.

Our main goal at the Butte Livestock Market is complete satisfaction for our customers. We think the best advertising comes from the many satisfied consignors throughout this area. Again we will sell the cattle in the order that they are consigned, believing this is fair to everyone.

We will be glad to come out to your farm or ranch and look at your livestock at any time. Feel free to call us collect.
