

DOUBLE EVENT DAYS

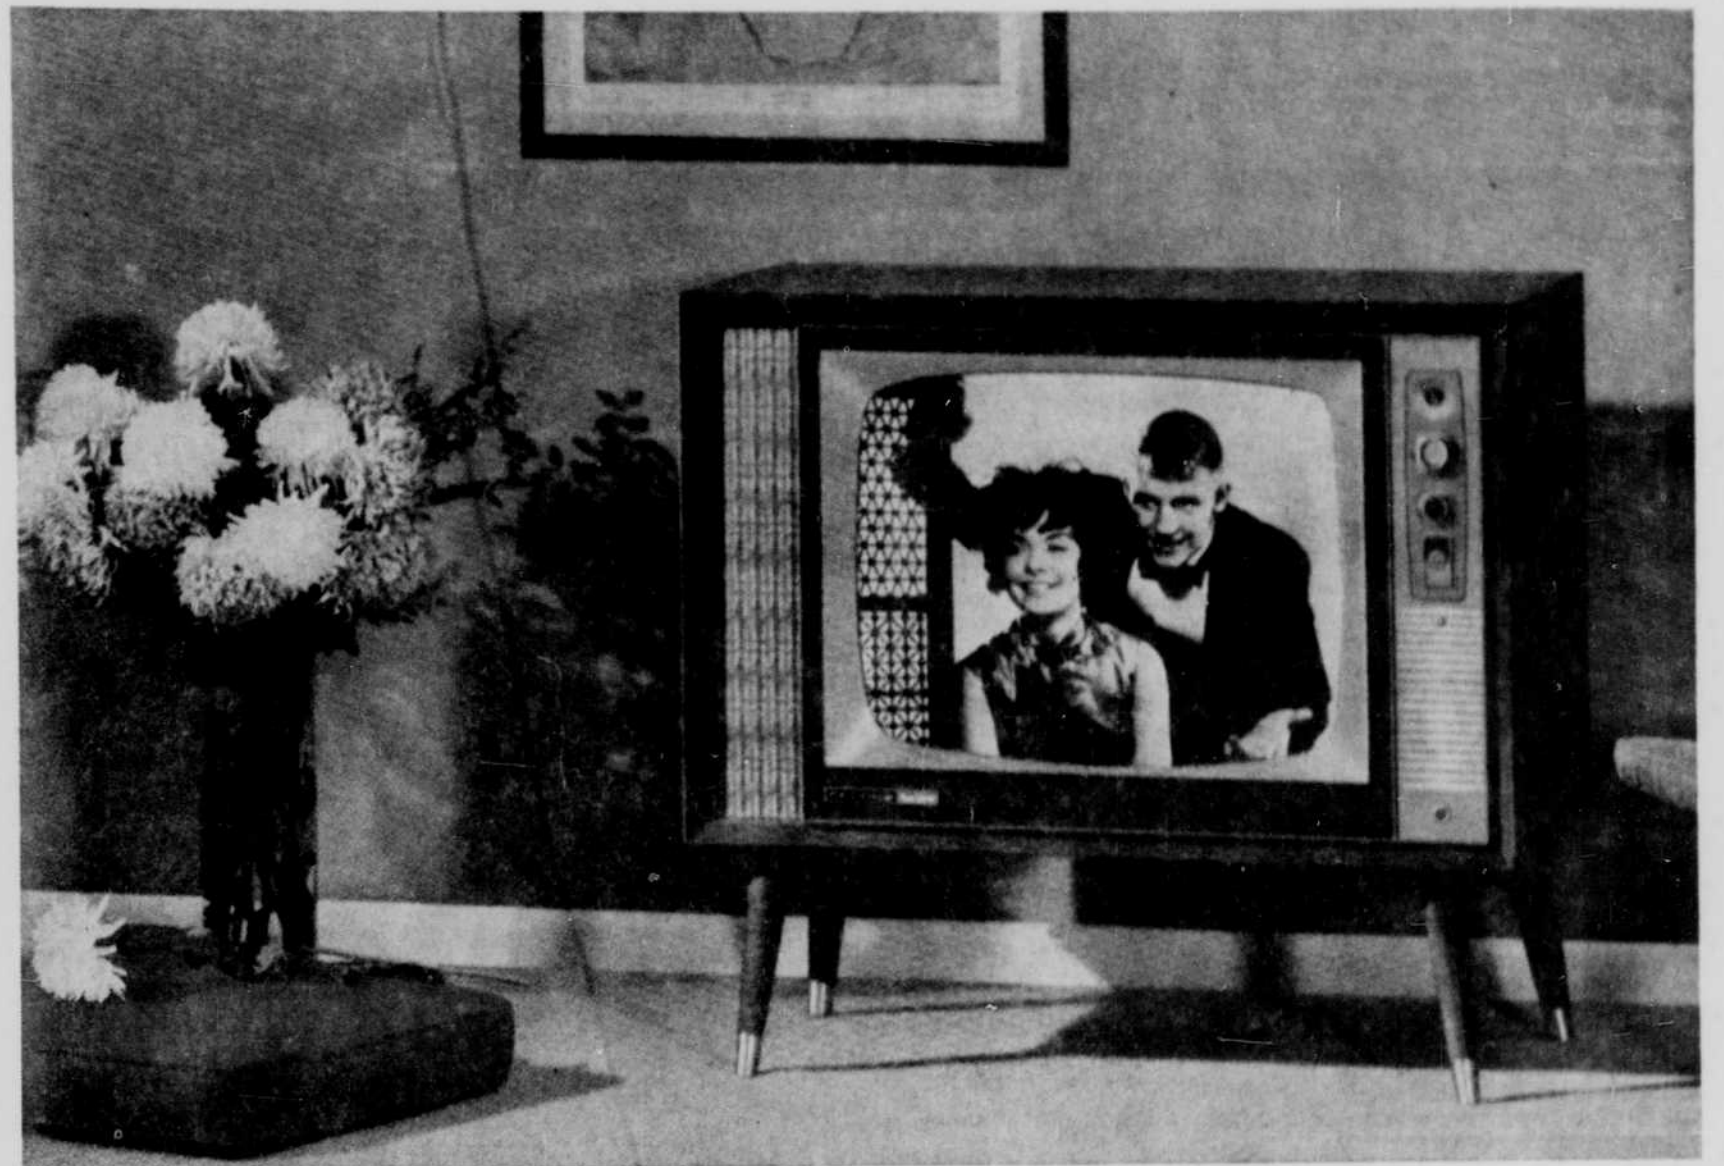

Thurs.-Fri.-Sat., Sept. 20-21-22

We invite you to stop in and visit us during our DOUBLE EVENT DAYS Thursday, Friday and Saturday and help us celebrate our first anniversary in our new location. We'll have plenty of coffee and donuts on hand for all our friends. And, while you're here we'd like to have you take a look at our big selection of NEW 1963 RCA VICTOR TVs and Stereo units. We're offering big trade-in values during these three days. These big trade-in allowances, plus the fact that we're a service dealer who services what we sell, make this just about the best deal you could ask for if you're in the market for a new TV or Stereo.

But, whether you're ready to buy a new stereo or TV, stop in anyway Thursday, Friday or Saturday. Have coffee and donuts with us and learn how you can become eligible to win some of the BIG PRIZES we'll be giving away.

THE HUMORESQUE 3UE22

THE SHELBY 233C76

Pinkermans have one of the largest selections of TVs and stereos in North Central Nebraska . . .

Remember, when you buy from a service dealer you're assured of top quality machines & service. Pinkermans have a large selection of Records priced from 35c to \$3.98.

RCA VICTOR

RECORD or PLAY

the new easy way!

No reels, no threading— with the new RCA Victor Tape Cartridge Recorder. Just drop in a cartridge, turn the dial to record or play. Weighs less than 14 pounds.

\$99.95

MONEY SAVING SPACE SAVING PORTABLE TV

The MODERNETTE Sportabout Series 173-A-50-M, 17" tube (overall diag.) 156 sq. in. picture

Low price—high performance RCA Victor portable TV. Amazing "New Vista" Tuner pulls in many hard-to-get stations. New aluminumized picture tube.

RCA Victor TV has got the power to get the picture! All 23"-tube models (overall diag.) feature the now-classic power boosting New Vista Magic Monitor Deluxe Chassis with 22,500 volts of picture power. Compact table models (except Thrifton) and most Sportabouts have 20,000 volts of picture power . . . budget-price Sportabouts have 18,000 volts of picture power. Voltages shown are design average.

Sharper, more detailed pictures from many hard-to-get stations! All models feature the super powerful "New Vista" Tuner, the most powerful ever designed by RCA.

RCA Security Sealed Circuits use precision-crafted, copper-etched and permanently bonded circuit boards to eliminate more than 200 hand-wired, hand-soldered connections found in old-fashioned all-hand-wired circuitry. Precision-crafted circuit

boards are so dependable that they're used in space satellites and missiles.

Reduces annoying reflections in picture . . . RCA Victor's glare-proof safety glass in many models breaks up and diffuses bothersome reflections, giving you pure picture pleasure without pronounced images of room lights. It's bonded-on to permanently dust-proof the tube.

Tinted safety glass is bonded-on tube permanently in all table and console models (except Thrifton), reduces reflections and dust-proofs the tube. Just wipe with a cloth!

New tubes operate cooler, last longer! RCA's new "dark heater" makes important tubes operate better, longer and at a cooler filament temperature than ordinary tubes.

Rich "Golden Throat" Sound . . . most models feature one or more Duo-Cone speakers

(like 2 speakers in 1) . . . Sportabouts have regular high efficiency speaker. New 6-speaker "Acoustic Lens" Stereo System is featured in Model 233-D-95-M. All other Home Entertainment Centers have 6-speaker Total Sound Stereo systems. All 23"-tube models have All-range Tone Control.

Automatic brightness and contrast control . . . the improved "Magic Eye" in many models increases brightness and contrast when room light increases, lowers them when light decreases. Can be switched off if not needed.

Fine-tune VHF channels only once on all Remote Control and many manual models . . . after that, "One-set" Fine Tuning automatically remembers to give you the best picture.

UHF Tuning is available on all models, optional, extra. Ask your dealer for details.

Stop in during Double Event Days at Pinkerman's and see the New 1963 RCA Victor Televisions.
