**HEREFORD CATTLE**

- 10 Choice Hereford first calf heifers, some with calves at side
- 4 Choice Hereford second calf heifers
- 13 Hereford breeding cows, ages 4 to 8 years. These are all top producing cows, there are no culls. If you need a few replacement cows be sure to see these.
- 1 Registered Hereford Bull, 2-year-old from the Sageser herd. The stock cows are all bred to start calving March 15. This is an outstanding set of cows which have always produced top selling feeder calves.
- 2 Holstein cows milking now, one just fresh, the other one to freshen January 1.
