LAND OWNERS & TENANTS
Section 39-512 of the Nebraska Statutes requires that weeds along all Public Roads and Drainage Ditches shall be mowed at least twice a year.
If this is not done, the County Board has the authority to cause same to be done and all expenses will be assessed to said property.
There are still some section lines that have not been mowed which will result in excessive cost to the County and Townships for mowing same as well as the inconvenience and cost to the individual that will be using such roads during the winter months.
Please cooperate and get this done by November 1st.
Thank You,
Holt County Board of Supervisors 25-26c
