NEWS TOO GOOD TO KEEP UNDER YOUR HAT

Go ahead—tell anybody. This is big news! Nebraska residents enjoy electric rates that are fifth lowest in the nation. And Consumers Public Power District is one of the economy leaders. But, cost is only one of the areas in which Consumers has worked hard to give you the best. That's because Consumers has built a reputation on being first—first in service, first in dependability, first to offer the benefits of electricity—statewide. Consumers will continue to show that electricity is your biggest value. And that's always good news.

Nebraska's only STATE-WIDE electric service
