released by Neil Harshfield, chairman of the fund raising committee which is attempting to raise money to send the combined O'Neill Band to Indianapolis where they will perform at

the "500" race on Memorial Day, "As fund raising chairman, I wish to stress that the financing of this proposed band trip is a community affair. If the band does go to Indianapolis, it will bring publicity and prestige to the whole O'Neill community.

While we do not plan to direct ly solicit funds, we will be very happy to receive any and all donations and contributions. We are going to solicit your help, support and co-operation. If we announce a food sale, we invite everyone to participate, not just the band parents. The same applies to box socials, auctions, rummage sales or any fund raising endeavor we may undertake. Since we are asking for your support, we are also asking for your sug-

gestions. We will have a thermometer type sign downtown shortly so every one can see how the fund raising is progressing. Also, from time to time, the newspapers will give a run-down on money earned. Anyone wishing to start the ball rolling may make their check payable to: Band Project Fund and leave it with either newspaper or with me, Neil Harshfield, chairman."

### Saving Stamp Plan Started in Roth Schools

The U. ed States Treasury Department's Savings Stamp program will be started in the O'-Neill public elementary school and the St. Mary's Catholic grade school, beginning Tuesday, Jan. 22, according to Mrs. Clifford Harding, president of the local Legion Auxiliary. The stamp sales in the schools each Tuesday morning during the school term will be conducted by members of the American Legion Auxiliary with the Stamp Sale Committee headed up by Mrs. Harding and Mrs. Edith Davidson.

According to Mrs. Harding, the auxiliary feels that the stamp plan is a good vehicle to teach the child the importance of thrift at an early age, as well as to teach patriotism. Purchase of the stamps is entirely voluntary. The 10 cent stamp is the only one being offered. A child can buy one or more each week. A free album will be provided by the ladies when the child begins to buy the stamps. The child will also get, with the purchase of their first stamp, a certificate which makes them an eighth Junior Astronaut. The certificate is signed by the seven mercury

### Soil District Supervisors to **Meet Thursday**

The Holt Soil and Water Conservation District Supervisors will meet in regular session Thursday

evening, Jan. 17. One of the major topics for discussion is expected to be the purchase of equipment so that herbicides can be used on new tree plantings to prevent or reduce the growth of weeds in the tree row.

Dick Cavit, Extension Forester from Pierce will be at the meeting to discuss this with the board. They are also expected to discuss dates for meetings with contractors and seed producers of the county. Seed producers are urged to obtain a test on their seed at the earliest possible date. Another problem facing the board is the need for increasing native grass plantings.

# **Holt Farmers** Sign Up for

Wheat Program Farmers in Holt County as of December 14 had signed up to divert 1526.7 acres from wheat production to conserving uses under the special voluntary 1963 wheat program, Floyd Butterfield, chairman, Agricultural Stabilization and Conservation Coun-

ty Committee, has reported. This is about 34.3 per cent of the 4450.4 acres of allotments or small farm bases on the 101

farms that signed up. Nationally, as of December 13, farmers had signed up 3,947,392 acres for diversion from wheat to conserving uses. This is about 31.5 percent of the 12,521,648 acres of allotments or small farm bases on the 226,082 farms signed.

Farmers participating in the 1963 voluntary wheat program will be eligible for the wheat diversion payments, and provided they comply with their farm's wheat acreage allotment they will also qualify for special price support payments of 18 cents per bushel on the normal production of their 1963 wheat acreage and for the regular price support (averaging \$1.82 per bushel, nationally) on 1963 - crop wheat put under loan or purchase agree-

Farmers who participate in the 1963 diversion program must divert all the acreage signed up to be eligible for price support or for acreage diversion or price support payments.

### Postmaster Asks City Patrons to Clear All Walks

The storm of last week made the city deliveries of mail a difficult operation. Three days after the end of the storm many sidewalks and entrance walks are still snow covered. The post office personnel of O'Neill will make every effort to cover the twenty miles of city delivery routes, during storms and after provided there is cooperation of property owners in clearing side walks as soon as possible.

If sidewalks and entrance walks are left uncleared, deliveries of mail will be delayed, and in the worst cases deliveries will be suspended. In order that this may not happen, property owners are urged to clear their walks as soon as possible.
