Bring Your Soil Test Results To Your Co-op

COOP BULK OR BAGGED

AMMONIUM PHOSPHATE or MIXED FERTILIZER MEANS MORE PROFIT FOR YOU!

To get maximum benefit from your soil test, the right type of plant food is just as important as the right amount. CO-OP Mixed Fertilizer or Ammonium Phosphate enables you to make the most from your investment in seed, labor and land.

CO-OP Ammonium Phosphate or Mixed Fertilizer increases available plant food, speeds decay of crop residue and builds a growth-powered seedbed for your spring crops.

STOP at your Co-op today, and ask about the many ways you can use the farmer-owned CO-OP Fertilizer Program to increase yields and boost profits.

OPEN EVERY SATURDAY UNTIL 9 p.m.
