

New **FAB** has more than just a detergent—

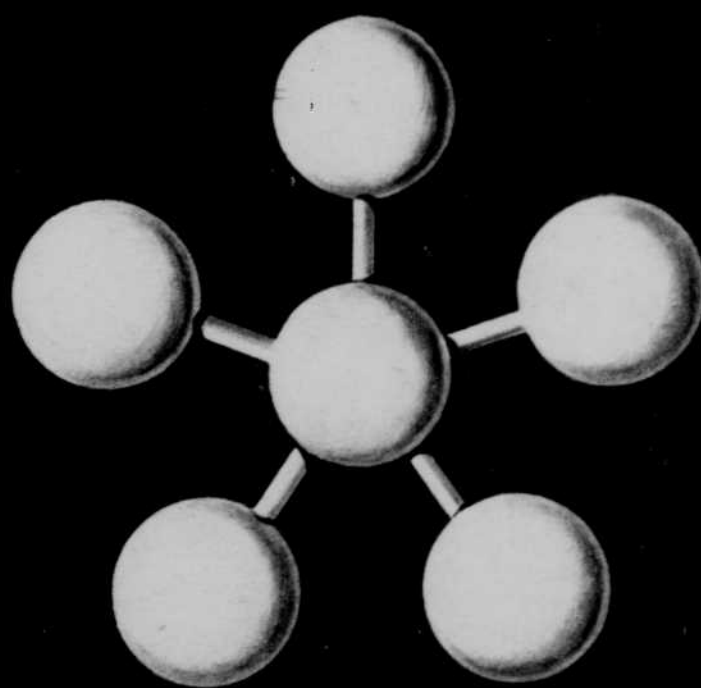

FAB adds 5 extra laundratives

to get wash
not just detergent clean
but Clean Clear Through!

See the difference between FAB and the detergent alone!

DETERGENT

FAB

The detergent granule is only one laundry ingredient. But FAB has more than just a detergent—adds 5 extra laundratives to every single granule!

FAB with 5 extra laundratives removes deep-dirt problems as the detergent alone cannot do!

New FAB gets wash far cleaner than the detergent alone can do because FAB has more than just a detergent. FAB adds 5 extra laundratives to every single granule!

That's why FAB attacks deep-dirt problems as the detergent alone

fails to do. FAB penetrates deep to 1) adsorb deep grit, 2) neutralize stain acids, 3) destroy odor deposits, 4) dissolve grease, and 5) soften stiffness. No wonder FAB gets wash not just detergent clean, but clean clear through!
