Hat Schleife

(HAS "SLIDE," GOES DOWN EASILY)

Our brewmaster uses the term "hat schleife" to describe a beer that "goes down easily." It describes Triumph perfectly!

What makes this zesty brew so good going down? Well, it's partly the old-time lager flavor—partly Triumph's natural sparkle—and even that creamy crown of fragrant foam helps to make this beer a great one! Triumph gives you these good things because it's a natural old-time lager brew.

Ready for a round of Triumph? Ja!
