Tiredness, LOSS OF VIGOR

If you are a victim of these symptoms then your troubles may be traced to Glandular Inflammation. Glandular Inflammation is a constitutional disease and medicines that give temporary relief will not remove the causes of your troubles.

Neglect of Glandular Inflammation often leads to premature senility, and incurable malignancy.

The Excelsior Institute, devoted to the treatment of diseases peculiar to older men by NON-SURGICAL Methods, has a New FREE BOOK that tells how these troubles may be corrected by proven Non-Surgical treatments.
