New Highway Maps Now Available—

State Engineer L. N. Rees has announced that the new highway maps for 1956 are now available in limited quantities. This year, Rees said, the highway map shows existing roads and streets in the Nebraska highway system, not including those which have been designated but are not presently maintained. "I don't see any reason to draw a line on a road map unless there's a road there," he explains.

Copies of the new map may be obtained by writing the information section, department of roads and irrigation, Lincoln.
