MARKET REPORT

"The Old Reliable"

July 31 Auction

Cattle receipts 556 head. Cloudy skies throughout the day seemed to be the story also in the cattle trade as most classes suffered some price losses. Butcher classes were the hardest hit with most kinds selling fully \$1.00 cwt. lower than week ago. Stockers and feeders were mostly \$0.50 cwt. lower, primarily on the lightweight offerings. Heavyweight steers and feeding heifers were in good demand and showed little change over recent sales. Indiana, Iowa, South Dakota and Nebraska buyers spared for the replacement cattle while good rains were reported in progress in much of the Central Corn Belt area.

Good to choice steers sold from \$17.00 to \$18.50 cwt., comparable quality heifers largely from \$15.00 to \$16.25 per cwt. Choice feeding heifers from \$14.50 to \$15.75 cwt. The quality of the offerings was below that of a week ago and only a few packages of the most wanted heavier weights were on offer.

Beef cows \$9.50 to \$11.50; commercial kinds \$8.75 to \$9.25 while canner and low cutters sold from \$7.75 to \$8.50 cwt. Bulls fully \$1.00 cwt. lower, largely \$11.50 to \$13.00 cwt.

SPECIAL NOTICE

We have changed the date of our First Special Carlot Auction to August 21st, one week later than planned. Hence we will hold Special Carlot Auctions every other week thereafter. We can still use consignments of feeder heifers for this sale. Remember the change in date — August 21st. Phone 5141, Atkinson, and book your consignments.
