Atkinson Readies for 6th Flower Show

ATKINSON — The Atkinson Civic Improvement Garden club is planning its sixth annual flower show on Saturday, August 4, at the auditorium in Atkinson. This year's show will be named "Gladiolus Splendorama."

For the flower show there will be a wild life and conservation exhibit and, in addition, a division for junior exhibits as well as the "glad" specimens and arrangements.

The North American Gladiolus council rosette will be awarded to the champion spike. The North American Gladiolus council silver medal will be awarded to the winner of the greatest number of first prize points in the specimen classes. The Nebraska Gladiolus society rosettes will be awarded the grand champion arrangement and composition.

"Everyone is urged to enter their gladioli and flower arrangements in the show. The entries may be made August 3 from 8 to 11:30 p.m., and August 4 from 9 to 11:30 a.m. Judging will start, according to an official of the club, at 12 noon. The door will be open to the public from 2 to 9 p.m.

The public is invited to visit the flower show. No admission will be charged. The Garden club members will be serving lunch during the afternoon and evening, according to Mrs. William Marsoun, publicity chairman.

First Fair for New Secretary

The 1956 exposition will mark the first fair for the new secretary, James Gibson, as far as official duties are concerned. He took over the many and varied duties of secretary earlier this year after retiring from the farm.

Mr. Gibson succeeds Edwin Wink, who had served in the position for a number of years.

Mr. Wink spent a portion of the summer in Indiana receiving special training for rural electrification construction work.

Rodeo is the only sport in the nation that gives a national high school championship.
