SPECIAL NOTICE

Mr. and Mrs. Lambert Belina Want The Public To Know That

We are now open for business under our own franchise. We are located in the former Western Auto place, just south of the traffic light. Our aim is to give our friends and customers the best of service, but most of all to be honest, dependable and fair in all of our dealings.

We have made O'Neill our home. We like the people of O'Neill and its surrounding territory. We want them to feel the same toward us.

Therefore, we did not pull out when, as your former ADLER dealer says, we quit. I took the cream off the milk and now would like to make a bid for your business. When they found out I wouldn't go with them, felt our customers needed us. So when you think of a Sewing Machine, try us and keep your business in your own home town.

A warning to all: We will not service FREE any machine bought from Norfolk, after Monday, October 29, and who knows the cream might be all gone in Norfolk.

We Will Have a Grand Opening Soon WATCH FOR IT
