## ANNOUNCEMENT

We have moved our irrigation supply headquarters to a new location in hopes we can give you the best in service, as it seems to us the demand is great enough to justify an irrigation business without connection with another business, as we have been in the past.

Be sure to see us for all your irrigation needs. Let us help plan your system with the help of one of the best engineers available. Do is right with light PORT-A-LUM.

TEST WELLS - WELL DRILLING - WELL CASINGS IRRIGATION SUPPLIES - ALSO FINANCING AVAILABLE

We will have a complete line of garden, lawn and farm and ranch fertilizer. You can pick it up here or at the Norfolk Warehouse and save on the freight or we will deliver. If you are in need of farm and ranch seed, we will have it for you or if you have seed for sale why not let us handle it for you through our Producers Exchange. We are in need of more alfalfa, crested wheat and brome seed. Watch the
