'Drive Champ' Contest Getting Underway

"One hundred 1957 Pontiacs
will be given away in a national
'drive the champ' contest during
the month of April," according to
Robert Krotter of Wm. Krotter
Co., Pontiac dealer here.
"This contest, which requires
the contestant to test drive a
1957 Pontiac and report his im-
pression of the car's performance
on a special entry blank, is open
to everyone licensed to drive,"
Mr. Krotter said.

"The purpose of the contest is
to get as many people as possible
to drive the 1957 Pontiac and
find out for themselves about its
remarkable performance.
"Pontiac this year set new 24-
hour endurance records. In ad-
dition, the car was subjected to a
grueling 100,000 mile contin-
uous driving test. Recently Pon-
tiacs won the NASCAR grand na-
tional 160-mile beach-road race
at Daytona Beach, Fla.," he
pointed out. "We want the motor-
ists to have an opportunity of
testing this outstanding car. If
the winner already owns a 1957
Pontiac, he will be awarded a
1958 model as soon after January
1 as possible."
Four winners will be selected
from each of the 25 Pontiac zones
throughout the country. Official
entry blanks must be obtained
from a Pontiac dealer. Wm.
Krotter Co. is offering additional
prizes locally, as listed in their
ad elsewhere in this issue. The
contest closes at midnight April
30. Complete details and entry
blanks are now available at Wm.
Krotter Co. in West O'Neill and
Spencer.
