Labor Clash Factor in Plugge's Quitting

Mr. Sanders... ill five months.

Alfred S. Sanders Dies in Hospital Funeral Monday for Holt Native

Alfred S. Sanders, 76, O'Neill resident who had been ill five months, died at 11:30 a. m., Friday, April 12, about 2 1/2 hours after being admitted to St. Anthony's hospital.

Earlier this year he had suffered pneumonia and never regained his health. Death was caused by a virus infection.

Funeral services were conducted at 2 p. m., Monday, April 15, at First Methodist church with Rev. Glen Kennicott, church pastor, officiating. Organ music was furnished by A. E. Bowen.

Pallbearers were Carl Widfeldt, Lloyd Whaley, George Hartford, R. G. Shelhamer, Herley Jones and George Weingartner. Burial was in Prospect Hill cemetery under the direction of Biglin's.

The remains lay in state at Biglin's chapel on the eve of the funeral and next day at the church between 11 a. m. and the funeral hour.

The late Mr. Sanders was born in the Scottville community August 18, 1880, a son of B. F. Sanders and Eleanor Jones Sanders, who were pioneer farmers.

For a time Mr. Sanders was employed by the O. O. Snyder Lumber Co. Later he worked at various jobs as a laborer.

Advance advertising was billed as disappearance of the old west. The story, however, runs deeper than that.

Walt Plugge, 51, Wheeler county rancher-rodeo producer living near Four Corners, threw in the rag Friday and Saturday when he paraded a herd of buffalo, a herd of Brahma bulls and more than one hundred bucking broncos onto the auction block here.

Questions of whether the Rock board can block the Rock participation and whether the Stuart enthusiasts can proceed with or without Rock help without starting anew on petitions have been submitted to the attorney-general.

The matter has been continued until April 30. Sixty persons attended the hearing. Leaders in the Stuart movement were to handily win for a district.

Coach Don Templemeyer's St. Mary's academy track and field team piled up 63 points Tuesday to handily win the Holt title at Stuart. Atkinson high finished second with 45.

Funeral services will be held at 2 p. m. today (Thursday) at the ZCJH hall at Verdigre.

The late Mr. Barta was born in Chicago, Ill., April 17, 1872. He came to Pishelville community in Western Knox county, in 1877.

He married Miss Millie Vonasek in November, 1894, at Pishelville. They farmed in the Pishelville locality until 1925 when they moved to Verdigre.

Survivors include: Widow—Nellie; sons—George of Lynch, Arthur of Verdigr, and Otto of Niobrara; four grandsons; three great-granddaughters; brothers—Albert of Buffalo Gap, S. D., and Otto of Verdigr; sisters—Mrs. Bertha Dietz and Mrs. Millie Vonasek, both of Verdigr, Miss Tillie Fistel of Verdigr and Mrs. Emma Ernstman of Chicago.

He was preceded in death by his parents, one daughter and two brothers.

Funeral services will be held at 2 p. m. today (Thursday) at the ZCJH hall at Verdigre.

Rock Board May Block Fire Unit

Stuart May Decide to Go It Alone on Rural District

Three members of the Rock county board of commissioners may have blocked an attempt to include a three-mile strip of Rock county in the proposed Stuart rural fire protection district. The plan includes four townships in western Holt.

Frank Schubert, Alfred Gilg and H. C. Carr, supported by two real estate owners in the controversial belt, opposed Rock participation in the Stuart district at a two-hour hearing conducted here by the Holt county supervisors. However, 20 Rock land owners, who had petitioned the Rock board of inclusion in the Stuart district, said heretofore they had received fire fighting assistance from Stuart and wanted to be included.

Questions of whether the Rock board can block the Rock participation and whether the Stuart enthusiasts can proceed with or without Rock help without starting anew on petitions have been submitted to the attorney-general.

The Cardinals earlier had won county cause honors. Tom Schneider showed the way for the Scarlet with three firsts. He established a new high hurdle record, 16.4. The record was held by Eddie Gatz of O'Neill high, who established the mark in 1952.

Funeral services will be held at 2 p. m. today (Thursday) at the ZCJH hall at Verdigre.

Waiting for postoffice window to rise... Mrs. F. J. Kubitschek, Betty Krobot of Stuart (St. Mary's student), Roy Lanman, Archie Ashby, Gerald Van Gundy, Ted McElhaneey.

Postal Retirement Nears End

President Eisenhower late Tuesday signed a supplemental appropriations bill, providing an additional 41-million-dollars for the postoffice department. And machinery was put into action to restore-close-to-normal postal operations.

Eleven days earlier Postmaster-General Summerfield ordered a retrenchment because of a shortage of funds. The supplemental appropriations bill was rushed through congress.

The 3 1/2-hour day at the service windows throughout the country appears to be here to stay, 8:30 a. m. to 5 p. m. Elimination of mail deliveries and window service on Saturdays, elimination of third-class mail and money-order service brought a floodtide of protest at the national level.

Locally, the residents took the curtailment measures in stride. A half-dozen O'Neillites were interviewed by The Frontier Monday morning—the first day of the belated window opening order went into effect.

Mrs. F. J. Kubitschek, housewife: "Habit, I guess. I've been waiting a half hour to mail some Easter packages."

Roy Lanman, retired: "Makes no difference to me."

Archie Ashby, laborer: "I don't like it. I'd like to be able to get done what I want to do at 8 o'clock."

Gerald Van Gundy, salesman: "It simply delays me getting out of town. I'm a salesman I can't leave town until I've checked my mail. Sometimes I have to call at the window for material too large for the box."

Ted McElhaneey, court reporter: "I guess I can get along all right."

3 Hurt in Crash Near Norfolk

Three persons were hurt about 2 a. m., Wednesday in a one-car accident west of Norfolk.

Hospitalized were Henry H. Claussen, of O'Neill, owner of the 1950 model car; Miss Wanda Scott, 24, of O'Neill, the driver, and William Galitz, 23, of Albion, a passenger.

Claussen's condition was described as "good"; Miss Scott, "satisfactory"; and Mr. Galitz, "good."

The Norfolk-bound car plunged into a ditch and crashed into an embankment. Claussen and Galitz were thrown from the machine.

Carl and Sisson are high school juniors; Wright is a sophomore.

Carl and Wright had completed a national guard drill here. They were being pursued eastward out of the city by the police car. Speeds were attained up to 100 mph, Chief Schmit said, on U. S. highway 20-275. The car turned east on a new county road and the police, far outside the city limits, gave up chase.

Carl said he did not see a turn in the road three miles east of the highway. The car, attempting to turn south, overturned and landed against a guide wire on a telephone pole. The wire may have prevented rolling. The top was smashed like an accordion and the 1950 Ford was demolished.

Youths Escape Serious Injury

Three teenage Ewing youths escaped serious injury about 10:30 p. m., Monday a few moments after O'Neill police had given up a speed chase.
