

**Norma Jean Burgess,  
Louis Coburn Wed**

ATKINSON—Miss Norma Jean Burgess of Lincoln, daughter of Mr. and Mrs. Loren Burgess of Emmet, and Louis Gerald Coburn of Lincoln, son of Mr. and Mrs. Rex Coburn of O'Neill, were united in marriage Saturday, April 13, in a double-ring ceremony at First Presbyterian church in Atkinson. Rev. Curtis Barnett performed the 3 o'clock ceremony. Candelabra and baskets of pink and white gladioli decorated the church.

Miss Audrey Coxhill, soloist, sang "Because" and "The Lord's Prayer." She was accompanied at the organ by Mrs. William Shorn. The bride, given in marriage by her father, appeared in a gown of chantilly lace and tulle. The slim lace bodice featured a sweetheart neckline, accented by sequins and pearls. The brief scalloped sleeves were complimented by lace mitts. A peacock styled overskirt of hand clipped chantilly lace fell over the cascading tiers of tulle, which created the extremely bouffant skirt and ended in a chapel train.

A scalloped pill box hat of rose-point lace, encrusted with sequins and pearls held her double-tier veil of imported bridal illusion. She carried a cascade bouquet of pink sweetheart roses and white poms.

Miss Elda Lorenson of Lincoln, was matron-of-honor, and Miss Jeanette Kirkland of Atchison, Kans., was bridesmaid.

Don Walton of Lincoln was groomsmen and Geoffrey Fried of Lincoln was bestman. Ushers were Gerald Upton of Atkinson and Harold Coburn of O'Neill.

The bride's mother wore navy with white accessories; the bridegroom's mother appeared in rose lace with white accessories. Both wore white carnation corsages.

A reception was held in the church parlors following the ceremony. A four-tier cake decorated in aqua and white centered the table, accented on the sides with white candles banked with white pompons. Mrs. Gerald Upton was in charge of the guest book signed by 150 guests. Mrs. Dale Wilson of Denver, Colo., cut the cake and Mrs. A. E. Boro of Fremont and Mrs. Don Doll of Omaha poured.

Servers were the Misses Nancy Watson and Janice Prewitt and Mrs. Edward Schmuecker, all of Atkinson.

The bride is a graduate of the Atkinson high school and the National Business Institute of Lincoln. The bridegroom was a graduate from the Butte high school and is senior at the University of Nebraska. He is a member of Pi Kappa Phi Fraternity.

After April 19, the couple will be at home at 3805 C st., Lincoln. Chambers alumni banquet, May 30 (memorial day). Tickets on sale at Park Ave. Market, Bill's Cafe, Platt Oil Co., Hoerle Station, Elkins Produce, in Chambers, and at O'Neill, Delbert Robertson. Deadline for buying tickets May 20. Remember date, 51c

**VETERINARY NEEDS**

**CALF SCOURS**—The sooner treatment can be started for scours the better the results will be. Sulfa-step is the product which seems to be bringing the best results in checking this infection. Don't wait until the trouble starts—buy a bottle now to have on hand—it's a good insurance. In addition to Sulfa-step, at Gilligan's you can find Terramycin, Aureomycin, Kaostrep, and several other good scours remedies made by the most reliable of manufacturers.

**PENICILLIN - DIHYDROSTREPTOMYCIN** — Because of the smaller dosage required of this combination, the price of this preparation runs very close to that of Penicillin alone—and the combination product covers a much wider range of infections. Dose for dose, Penicillin-Dihydrostreptomycin in combination is much more economical to use than Penicillin alone.

**VACCINES**—Remember, our prices on the double and the triple vaccines are prices you'll like. These vaccines are Sharp & Dohme vaccines on which we were able to make a good purchase and pass the savings on to you. This spring get your vaccines at Gilligan's Rexall Drug.

**A WORD ABOUT VITAMINS:**

Be sure you buy Vitamins from a mail-order house or a door-to-door salesman, ask yourself: How effective is his product? How reliable is the manufacturer? The answers to these questions are answers you would want to know about any product you buy. When you buy your vitamins at Gilligan's Rexall Drug you can bank on it that the product comes from the world's finest laboratories. . . that it is as effective—and safe—as modern science can make it.
