CONOCO ROYAL

with exclusive oil-plating action!
The first gasoline in history with TCP plus to boost power as it cuts wear as it increases mileage!

The new super gasoline with **TCP plus Conoco '405'**—the discovery that sprays upper engine parts with a protective lubricant more than 1000 times a minute... adds exclusive oil-plating action to the proved power benefits of **TCP!**

effective is this action that piston ring wear is cut in half. It's so durable, that even in extended, high-temperature driving, there was no trace of engine "knock" or high-compression power leak.

Now—whether you specialize in short hops or hit the highway—New Conoco Royal with **TCP plus** insures you all the high-compression power you paid for. And—at the same time—introduces an astonishing new measure of protection.

Helps all cars—new and old
In new cars, New Conoco Royal helps retain every bit of your engine's high-compression power. In older models, it helps restore your car's original performance. Best of all, New Conoco Royal with **TCP plus** is ready right now... at your nearby Conoco Dealer!

Exclusive oil-plating action
That's because New Conoco Royal combines the power benefits of **TCP** with the unique new protection benefits of Conoco '405.' Now, more than 1000 times a minute, your upper engine is sprayed with a durable, friction-fighting lubricant with protective oil-plating action. So
