**Coming to O'Neill BIG RODEO**  
Saturday - Sunday — June 15-16

HIGH ABOVE THE HARD GROUND the bareback rider clings tensuously to the simple hand hold between his legs that is his only way of sticking on the horse. Without halter or rein, the horse is completely uncontrolled, can do anything possible to rid himself of the rider. Without a saddle to help him keep his seat or stirrups to take part of the shock of the bucking and help him keep his balance, the rider in this rodeo event is at a definite disadvantage.
