WHY re-enlist in the small-car army?

READ THIS STARTLING FACT

5 out of 10 Smaller Cars wear a Pontiac Price Tag —yet none gives you Any of Pontiac's Advantages

PONTIAC GIVES YOU UP TO 8.9% MORE SOLID CAR PER DOLLAR!

Not one of the smaller cars can give you the heavy-duty construction, the road-hugging huff and solid security that surround you in every Pontiac. Yet Pontiac's the nimblest heavy-weight you ever managed—and your Pontiac dealer can show you more than six dozen advanced-engineering reasons why! Pontiac has gone all out to make this genuine big car the best behaved beauty that you ever had the pleasure of bossing. You'll find Pontiac's exclusive Precision-Touch Controls make steering and braking the surest, easiest you've ever experienced! Park it, cruise it, try it in stop-and-go traffic... this is driving the smaller jobs can't duplicate!

PONTIAC GIVES YOU 4 TO 7 INCHES MORE WHEELBASE!

The small cars extend bumpers and fenders to look big—but Pontiac puts the extra length where it counts—between the wheels! Pontiac's longer stride brackets the bumps instead of riding on them. And this extra length shows up inside, too, in stretch-out space for six footers. Add to Pontiac's bonus in length its all-new suspension system and you have an exclusive Level-Line Ride no car at any price can surpass... and a built-in sense of direction and security that will spoil you for the smaller cars forever!

PONTIAC'S PERFORMANCE TOPS THE BEST THE SMALL CARS CAN OFFER—BY A WIDE MARGIN!

Not one of the smaller cars can measure up to Pontiac Performance. Whether you judge a power plant by engineering statistics or on-the-road performance, Pontiac's Strato-Streak V-8 stands head and shoulders above anything in the low-price field. Your Pontiac dealer will be happy to show you a complete facts-and-figures comparison—then an eye-opening test drive in traffic or out on the highway will supply all the heart-lifting proof you need that Pontiac has separated the men from the boys when it comes to performance!

—AND PONTIAC HAS ALWAYS BEEN FAMOUS AS ONE OF AMERICA'S TOP TRADE-INS!

Maybe it comes as a surprise to you that so much more car can be yours at the same price you've seen on the smaller cars. But there's the fact! And Pontiac is a wonderful investment, too! As you know, it has always commanded a top trade-in. So why not step out of the small-car class and into a Pontiac... there's nothing in your way. Your Pontiac dealer has the keys and an eye-opening offer waiting for you right now! So why not look and feel like a million—instead of a million others?

BOW! If you want the ultimate in both economy and extraordinary performance, now Tri-Power Carburetion is available at extra cost on even the lowest priced Pontiac model. It's America's newest power advance and exclusively Pontiac's at so low a cost!

Dramatic Rescue at Sea Successful

Former O'Neillites Marooned

Eleven members of a fishing party from the Hollywood, Van Nuys, Bakersfield area, including two former O'Neillites, were dramatically rescued by a navy crash boat off Southern California. The group had been kept prisoners on lonely Anacapa Island without food and with only a barrel of stagnant water. Members of the party included two former O'Neillites: Richard Bowden, 42, and his son, Stephen, 18, of Glendale, Calif. Mr. Bowden is the son of Mrs. Adeline Sporn. Richard and Stephen are grandson and great-grandson of Steve Hicks of O'Neill. The navy boat battled wind-whipped seas to spring the storm trap for the band of fishermen. They had left three of their four boats at anchor at Frenchman's Cove on the south side of the island. As they slept a storm broke, beaching one of the boats. They managed to bring the rest of the boats onto shore and took refuge in dilapidated shacks as it began to rain. Only food they had was the fish they had caught. They boiled water which they found in a barrel. The shacks almost blew off the island. During the storm they shivered in their sleeping bags. Two men took off for the mainland in a 14-ft. open motorboat with most of the gas that wasn't lost overboard. They managed to reach a coast guard lighthouse. A coast guard amphibious plane para-dropped canned goods and fresh water to the beleaguered men on Anacapa. Finally the navy crash boat effected the rescue and all are well, suffering no ill effects. Mr. and Mrs. Ben Grady and sons went to Ft. Dodge, Ia., where Mrs. Grady and the boys are visiting her parents, Mr. and Mrs. John Pray. Eleanor Schmit of Atkinson is spending this week with her brother and family, Mr. and Mrs. John N. Schmit.
