Nifty Needlers Guests of Crumly Girls —

PAGE — Peggy and Bonnie Crumly were hosts to members of the Nifty Needlers 4-H club recently. Roll call was answered by naming the cake each liked best to bake. Bonnie presided over the business meeting.

Caroline Max presented a demonstration on making cookies. Individual help was given each on their projects. The girls making cakes and pies made seven-minute frosting and pie crust.

Lara Ann Crumly led the music period and Donna Crumly conducted games on the lawn.

Mrs. Crumly served lunch. The Needlers met again Friday, July 26, at the home of Jerilyn and Seal Luebecke. Roll call was answered by naming "Something I Have Learned in my project." Donna had the music period and Myrna Heiss was in charge of recreation.

Two more meetings are scheduled but another may be planned to help the girls complete their projects and record books.

The world's largest day money is paid at the Los Angeles coliseum where the Sheriff's Rodeo puts up \$12,500 for a single performance.

BEST WISHES TO THE 1957 FAIR!

Milking Machine Viewed by Clubbers —

PAGE — Members of the dairy division of the Eagle Hustlers 4-H club met at the home of Joan Fisher Tuesday evening, July 9, and answered roll call by telling a safety hint to be practiced in the home or on the farm.

The remaining awards were handed out and plans were begun for the dairy show at Norfolk.

Lesson concerned caring for the cow while dry and caring for the new-born calf. Kent Stauffer led the recreational period.

Following lunch the group inspected Joan's calf project and the newly-installed Knudsen milking machine.

Another meeting of the dairy group was held Tuesday, July 23, at the Marvin Stauffer home.

The term rodeo was rather late in arriving. Cowboy contests, known by various titles—Stampedes, Roundups, Frontier Days, ect.—were better than forty years old before they were called rodeos about the time of the first World War.

All roads lead to Chambers during fair week.

Rodeo can be correctly pronounced either ro-DAY-o after the Spanish origin of the term, or RO-dee-o. The first form is more common in California and the Southwest but the other is preferred by the rodeo contestants themselves.
