

St. Mary's Seeks 3d Straight Win

The St. Mary's academy Cardinals will be gunning for their third successive win tonight (Thursday) in Carney park. They'll be entertaining Lynch, a foe in the Niobrara Valley eight-man grid circuit.

Last Thursday the Hilltoppers hit the visiting Keya Paha county (Springview) Indians, 21-6. The Cards needed six plays to spring Jim McGinn on a nine-yard plunge. Ronnie Clark added the point.

Springview went 60 yards to score as Spann rambled from 14 yards out.

The parochial team moved 62 yards in 10 plays, but a penalty slowed the march. Tom Donohoe pitched to Larry Tomlinson for the TD and Bill Craig added the point.

St. Mary's rolled 60 yards in the third with McGinn sweeping left end for a 15-yard scoring effort. Clark added the point and ended the scoring.

Statistics Battle Edge to Eagles

O'Neill high Eagles rolled up 230 yards from scrimmage compared to Bassett's 187, and the blues outdowned the visitors 10-7, but Rock county High won the game, 6-0, Friday night on the Carney park gridiron.

Still the scoreboard prevailed and the Eagles are still in quest of their first win. Friday night they will entertain the Burwell Longhorns here.

Bassett manufactured its touchdown late in the game when a bad pass from center sailed over the head of the O'Neill punter. Darrell Dexter chased back to retrieve the ball and was killed on his own one-yard line.

This was Bassett's first opportunity inside O'Neill's 30. O'Neil for two downs and on the third the visitors went across on an end around.

Ronnie Smith, a 47-pound seat-back, sparked for O'Neill and averaged 8.5 yards per carry. Mike Liddy showed well in the line.

Very Rev. Timothy O'Sullivan blessed the statue and addressed the students. Then the group marched in procession to the church, chanting the Litany of Loretto. The ceremony closed with benediction of the blessed sacrament.

Thursday, September 19, was a big day for SMA juniors. Richard Todd took orders for class rings. The rings, which are of a completely new style, will arrive before Thanksgiving.

The year book staff met with Richard Todd, representative of the American Year Book Co., last Thursday to discuss the annual. This book will be published as a memo of the school year of 1957 and '58.
