Bob Witherwax Is Holt Soil Entry

Mr. and Mrs. Bob Witherwax of Spencer were special guests at the state convention of the Nebraska Association of Soil Conservation districts. The convention was held Monday and Tuesday at North Platte.

Mr. Witherwax, who farms three miles east of the Spencer dam on Holt's northern boundary, had been selected as the Holt soil districts representative in state competition.

Also attending the convention were Mr. and Mrs. M. G. French, Sr., of Page, Mr. and Mrs. Harvey Krugman and Mr. and Mrs. Elmer Juracek, all of O'Neill.

Each district in the state selects a cooperator "who has done a good job of conservation". Aerial photos of the farms are taken and studied by judges, and a large colored photo is made.

Tri-county bank of Stuart sponsored Holt's entry at North Platte.

According to C. R. ("Bob") Hill of the Holt district, Mr. Witherwax has made a vast change on his place in the past few years. He has two farm ponds. He has established waterways and terraces on a field that he described as being nothing but ditches and cackle burrs when he took over the farm. Now it is a productive field of alfalfa.

He also has leveled a small field for surface irrigation which has done very well this year.

"Bob uses a rotation of corn and alfalfa and says he likes to turn under a good growth of alfalfa in late spring for soil improvement," Mr. Hill pointed out.

"He has done a good job of conservation but still is planning more improvements."
