**To Lincoln**—Mr. and Mrs. Lawrence Haynes, Mr. and Mrs. Marvin Johnson and Mr. and Mrs. John Conard of Emmet spent the weekend in Lincoln. Mr. and Mrs. Allen Haynes of Page stayed with the Haynes children while the parents were gone.

### Deer Season Causes Excitement A-plenty

**ROCK FALLS**—With the opening of deer season in this area on Friday, November 1, there has been more excitement and activity than at a county fair, also the main news topic of the day.

What with certain family members astir at 4 a.m., scrambling around for a few extra pieces of warmer clothing, a hurried sup of coffee, which had been perking in the automatic percolator, followed by a flying take-off in jeep or whatever conveyance was available.

Pounding on doors at first sign of day-break for permission to stalk the stealthy ruminant or perhaps to inquire of their frequented habitats and so through out the day, as someone reported "the woods were fairly swarming with hunters," and so it would seem from the frequent barrage of shots heard from down the valley or beyond the bridge.

A number were unfortunate in not getting theirs but your reporter has been informed of six taken in this immediate vicinity.

Monday and Tuesday visitors in the home of Mr. and Mrs. Ivan One were Mr. and Mrs. Glen Wods of Memphis, Mo.

### O'Neill News

PONTIAC'S PERENNIAL FAVORITE is this big, luxurious and exquisitely styled Star Chief four-door Catalina designed to make the heart of every motorist beat faster. Solidly built on a 124-inch wheelbase, the Star Chief Catalina is synonymous with big car styling and comfort, and is available in four models; two four-door Catalinas, a four-door, slim pillar sedan and a four-door Custom Safari station wagon. Among the fine features of this series is the big "Tempest 395" V-8 engine and "prestige" interior of glamorous leather and fabric.

### 'Dream Series' in Pontiac's Golden Jubilee Year

Sixteen all-new models in four series—headed by a "dream car" series of two family sports-type cars—are presented by Pontiac in 1958, General Motors' golden jubilee year.

A new body, new chassis, new "Tempest 395" V-8 engine, new optional equipment and a new Bonneville series of family size "dream cars" mark what the division calls "the boldest advance in 50 years."

"These bold new cars are both a tribute to GM's golden jubilee and our own 50th anniversary," S. E. Knudsen, GM vice-president and general manager of Pontiac Motor division, said in announcing the new cars. The new cars go on display Saturday, November 9, at the Wm. Krotter Co., showrooms in O'Neill and Spencer.

"Fifty years ago America's pioneer motorists welcomed the new Oakland, predecessor car to Pontiac. But outside of having wheels, engine and a body of sorts, the 1908 Oakland bore no resemblance to the sleek 1958 Pontiacs we will present in our dealers' showrooms November 9. These cars are lower, longer, wider and combine high performance and comfort with high style and luxurious interiors," Knudsen said.

In addition to the top-of-the-line Bonneville convertible and sport coupe, Pontiac offers other new innovations for '58. Among them are a convertible in the lowest priced Chieftain line, air ride suspension as an option on all models along with improved fuel injection, introduced by Pontiac last year.

The new "Tempest 395" V-8 engine is bigger than ever, with displacement increased from 347 to 370 cubic inches, and designed to deliver power where most needed—in the traffic range.
