

Woman Loses Way During Blizzard

AMELIA—Mrs. Irvin Forbes experienced what might have been a tragedy Monday, December 31. She had started to the home of Johnnie Mohr. While enroute to Amelia she was forced to follow a trail through Rees' pasture, due to snow blocked roads. Visibility was reduced to a short distance because of blizzard conditions.

She lost the trail and her sense of directions and was hopelessly lost for several hours. She finally sighted some haystacks which helped her find her way. She left her home at 1:30 p.m., reaching Amelia about 4:30 p.m., a distance of 4 miles.
