## Our Mechanics Use . . . "HEAD TOOLS," too

Any good service shop uses the latest tools such as compression testers, valve grinders, etc. Here in our shop we also take a lot of pride in what we call "head tools."

Our mechanics have the know-how to see a repair job from the engineer's viewpoint. They study and use the latest Allis-Chalmers manuals. Every machine is repaired for better performance, not just "to hold it together."

When your A-C equipment needs repairs, let us give it dependable Allis-Chalmers service.
