Lots of Yearlings, Calves Today

Today's cattle sale will feature a good supply of yearlings and calves and the usual run of stock cows, canners and cutters and bulls. Fat cattle earlier in the week were selling steady to 25 cents lower at the terminals; stocker and feeder trading was weak.

Several hundred feeder pigs and the usual run of fat hogs will feature today's sale. Butchers Monday at Omaha were at their lowest point since April 21, 1950. Improved road conditions should increase today's receipts.

POWER

that saves money!

MASSEY-HARRIS

3-4 plow 44

260-cubic-inch high-compression engine gives the 44 power plenty for heavy field, road, yard and belt work. In plowing, planting or harvesting . . . wherever the success of a job depends on stepped-up production — that's when the 44's extra power pays off in time saved, and in the greater ability to get more done. Ask for a demonstration of the Massey-Harris 44, the tractor that out-powers and out-performs any other tractor in the 3-4 plow class.
