

When You & I Were Young . . . Water Works Engine Laid Up

50 Years Ago
George Manny left for Washington. . . Richard Cross, of Atkinson, visited in town. . . The big engine at the water works plant is laid up for repairs, hence some inconveniences have been experienced in supplying the water demand for the city. This demand

is constantly on the increase. . . E. H. Whelan is making arrangements to move to Sioux City where he will open an office. . . Work has commenced on the improvements at the Presbyterian church and will soon begin on the new manse. The old building has been torn apart, the main portion having been sold to Roy Townsend.

25 Years Ago
A son was born to Mr. and Mrs. Leslie Uhl on April 14. . . Mrs. L. A. Burgess and son, Warren, came home from a visit at the home of her sister, Mrs. Henry Fowler, and family in Sioux City. . . J. B.

Donohoe assumed the management of the Farmers Union elevator upon the resignation of Enard Leach. . . The recent rains over the Missouri and Mississippi valleys have swollen the Mississippi river to almost unheard of stages.

10 Years Ago
Approximately 1,395 holt county men between the ages of 45 and 65 will register for the draft. . . Vic Halva visited in Sioux City with his daughter, Margaret, who is convalescing from an appendectomy at St. Joseph's hospital. . . Mr. and Mrs. James W. Rooney returned home from Teumseh, where they were called by the sudden death of Mr. Rooney's father, J. W. Roney. . . Mrs. Louis Reimer, jr., entertained friends at a dancing party at the home of his parents, Judge and Mrs. Louis Reimer. . . Mrs. John Damero and daughter, Virginia, helped Mrs. George Bay celebrate her birthday anniversary.

1 Year Ago
Mr. and Mrs. J. R. ("Jud") Russell, of Page, celebrated their golden wedding anniversary. . . M. B. Huffman, vice-president of the Farmers State bank, presiding, Monday was elevated from vice-president to president of group III, Nebraska State Bankers association at the organization's 52d annual meeting at Norfolk. . . Marcela Jonas is a guest at the Nebraska Restaurant association at the Paxton hotel in Omaha.

Discus 1952 Mother's Camp
CHAMBERS—The Happy Homemakers club met at the home of Mrs. Donald Dankert on Friday, April 18. The meeting was called to order by the president, Mrs. Bernard Hoffman. Eleven members answered roll call by giving a house cleaning hint. Minutes of the last meeting were read and approved. An interesting and amusing game was played under the direction of the recreation leader. The reading leader read two poems.

Report on the last council meeting was given by the president. Plans are in progress for the summer mother's camp. A committee was appointed for observance of national home demonstration week for our club. Everyone is urged to leave their name at Thomson's cafe if willing to be a blood donor should a mobile unit visit this territory. The lesson on "Hand and Machine Mending" was given by Mrs. G. C. Smith and Mrs. Frank Spath. The next lesson will be a handcraft lesson on glass etching. The next meeting will be at the home of Mrs. Gordon Harley.

These are the secrets of Hudson's unbeatable power, stamina and safety

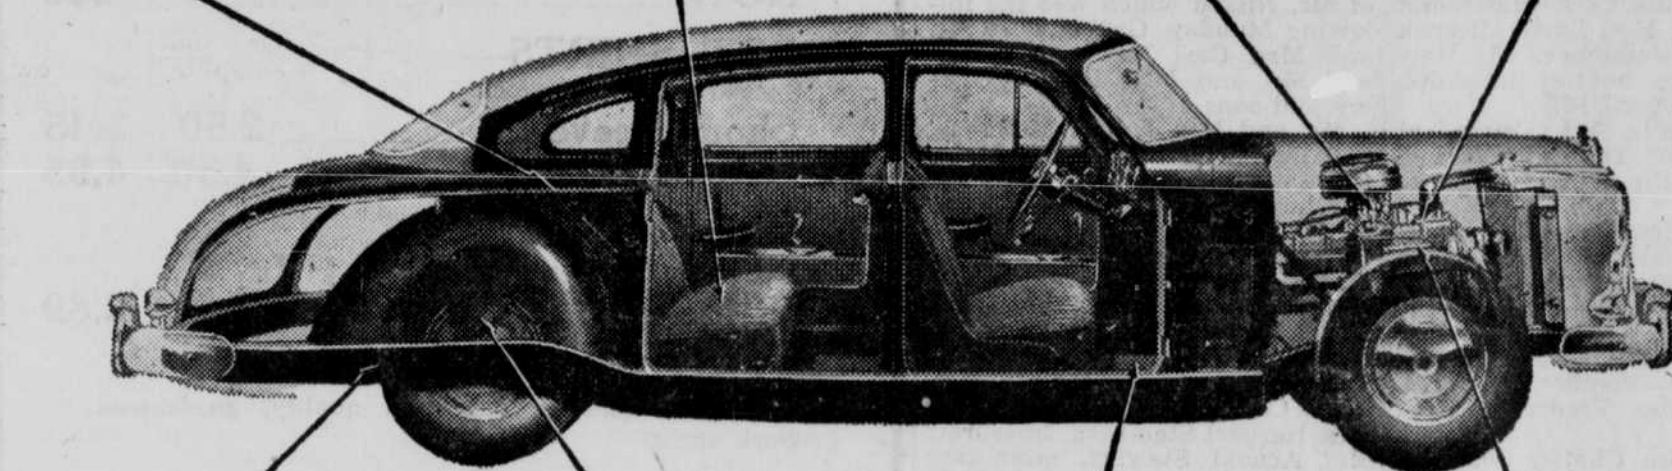

Rugged, single-unit Monoblitt body-and-frame—5,306 permanent welds for unequalled stamina.
*Trade-mark and patents pending

Nylon or worsted upholstery combined with crackproof, scuffproof, easily cleaned Dura-fab trim—long-wearing, luxurious.

High-compression engine electronically balanced as a complete unit to reduce vibration and produce peaked-up power.

Lighter, exceptionally strong pistons and two-piece, heat-resistant Austenitic metal exhaust valves add stamina, maintain maximum engine power longer.

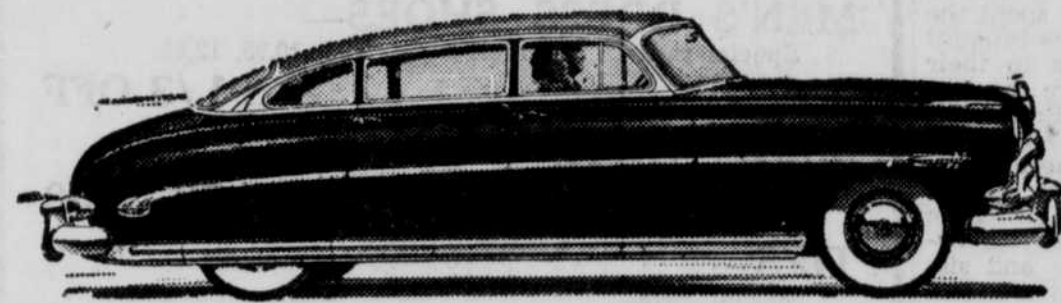

Heavy box-section steel girders completely surrounding the passenger compartment, even outside the rear wheels—Hudson is America's safest car.

The only hydraulic braking system with reserve mechanical brakes on the same foot pedal—best safety protection in any car at any price!

"Step-down" design with recessed floor for America's lowest center of gravity—steadier, safer riding with less bounce, less wear and tear.

Chrome-alloy cylinder block, toughest in any car, and oversize engine bearings for amazing stamina, more thousands of miles of like-new power.
