Card games provided entertainment and later refreshments were served by the hostesses.

### No Serious Auto Mishaps Over 4th

No serious traffic accidents were reported in the O'Neill region over the long Fourth of July weekend, according to the sheriff's office and the Nebraska safety patrol.

This was good news in view of the fact that a new U.S. record in violent deaths was established. There were 477 fatalities in the nation during the long weekend.

"We issued several tickets to motorists for speeding and for failure to stop at stop-signs," Patrolman Frank Dineen said, "but generally the traveling public was very cooperative and law abiding."
