

Anticipate Pay Day at Army Outpost

500 Trees Are Now Bearing Apples

Joseph Sullivan left for Omaha for his second year in Creighton university ... About 800 soldiers are now quartered at Ft. Niobrara and the citizens of Valentine are living in happy expectancy for pay day when the coin from the Fort will commence to circulate among them ... That the field trials to be held will be a success weather permitting is now an assured fact. Already over 40 dogs have been entered for the trials, 25 in the free for all and 15 in the derby ... Married at the Catholic church were Adelbert Baker and Miss Agnes Gallagher, Rev. M. F. Cassidy officiating.

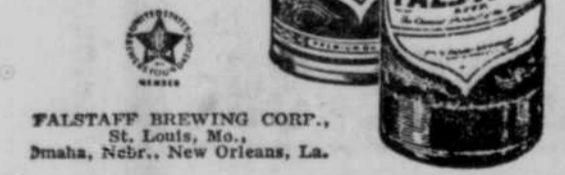

McKinley Simonsen of Norfolk visited home folks ... A number of years ago, Mr. and Mrs. A. Bushert living about 10 miles north of O'Neill planted several hundred apple trees of various kinds. At the present time there are 500 trees bearing apples. Many are loaded down by so many apples the branches are broken and lying on the ground because of the overload of apples ... Fred Tesch of Phoenix was an O'Neill caller.
