A MESSAGE for AMERICANS

from
General Eisenhower

ONCE BEFORE I had the honor and duty of leading a crusade for human freedom and dignity—in Europe during World War II.

That crusade was won not by Generals and Admirals but by the blood and effort of American G.I.'s and all the other forces fighting for freedom. Now in 1952 a different call to duty has honored me — as Republican nominee for President of the United States.

This time the effort is civilian — not military. But again, the crusade will be won not by me nor by the political leaders, but by everyday Americans who value their National heritage and are willing to go to the polls and vote to protect it.

THIS IS A CRUSADE TO:

- ★ SWEEP OUT OF GOVERNMENT the corruption and the scandal which have brought us dishonor at home and disrespect abroad.
- ★ BANISH THE SUBVERSIVES and incompetents who have crucified both good public service and good public servants.
- ★ BUILD A STRONG ECONOMY not based on war.
- ★ SAVE OUR GREAT, FREE NATION from the reckless policies which are leading America down the road to bankruptcy—Socialism—and possibly even World War III.

AMERICA NEEDS YOU...

in this Civilian Crusade. I hope that you, too, believe the time has come for a complete change in our National leadership — a change which will restore courage, integrity and faith in American Government.

I INVITE YOUR SUPPORT NOVEMBER 4th.
