Mock, Kellogg & Co. Too Much for Cards

Norfolk Duo Tallies 7 Touchdowns

Cosch Joe George's St. Mary's academy Cardinals were admitted to a spanking last Thursday night under the lights at Norfolk. Ed Mock, Bill Kellogg and a dozen other Sacred Heart Knights applied the pressure and won handily, 58-10.

SMA tallied on the third play following the kickoff with Bob Fritton firing a long pass to Jerry Wanser behind the Knight's secondary. The play covered 45 yards.

The Norfolkans bounded back with Kellogg galloping 57 yards to score. Next time the Knights got the ball they scored again, with Kellogg slashing off 39 yards.

Sacred Heart took to the air for its next counter, Mock grabbing a 6-yard pass from Tom McVane to climax a 52-yard march. The Cards fumbled the kickoff and the Knights took over on the Cards' 16. Carl Dartman took a nifty handoff from Kellogg and went the distance. The half ended 26-6.

The Cards took over after a quick-kick and started rolling. Wanser picked up 10 yards in two tries and George Tomlinson shook loose for 24. He was almost away but hauled down from behind by McVane. The Cards later fumbled and lost the ball. Mr. Kellogg then showed his heels in a 43-yard scoring scamper.

Mock made a running catch in the end zone to swell the Knights' scoring total. Still later, Mock intercepted a Card flip and went 23 yards to tally.

Wayne Donohoe recovered a SH fumble on the Knights' 8 to set up the Cards' second TD. Wanser bouncing over. After an exchange of pass interceptions the Knights bolstered their total another six points. McVane's interception covered 69 yards—the longest run of the evening.

The Knights scored next from the 40. Kellogg swept his own left end and was about to be tackled he flipped a backward pass to Mock. Thereupon Mr. Mock registered his fourth TD. The Cards were held to 10 yards, mainly on the defensive work of Dartman. Wanser sparked the Cards offensively and defensively. Three players were ejected for roughhouse tactics—Bob McMahon of SH and Mike Landon and Jim Schmitz of SMA.
