Corn Bread Topping Puts a "New Face" on Meat Pie!

Look for the smiles that will light up family faces when you serve meat pie with delicious, crusty corn bread topping.

Here's a dish that has a winning way with left-over roast beef and plenty of good vegetables. It's practically a meal in itself, and it takes so little time to prepare. Your meat pie with corn bread topping can be served at the table in its baking dish. As the serving spoon breaks through the corn bread crust, you'll love the wonderful aroma that greets you, and really welcome the good flavor that has been sealed in by the corn bread. There will be no cold second helpings because the corn bread tends to hold the heat in.

Meat Pie With Corn Bread Topping
(A good way to use left-over meat and vegetables)

Filling:
1 cup cooked, diced carrots
1 cup cooked, diced celery
1 cup cooked, diced potatoes
1/2 cup cooked peas

1 tablespoon grated onion
3 cups diced left-over roast beef
2 cups celery

Topping:
3/4 cup corn meal
1/2 cup flour
1/2 teaspoon salt
1 1/4 teaspoon baking powder
1 egg yolk
1/2 cup milk
1 tablespoon melted butter or margarine

(If self-rising corn meal and flour are used, omit salt and baking powder.)
Combine all filling ingredients in a 1 1/2-quart greased casserole. Sift together corn meal and other dry ingredients. Combine beaten egg yolk, milk, and melted fat. Add to moistened. Pour batter evenly over meat and vegetables in casserole. Bake in a 400° F. oven, for 20 to 25 minutes, until the corn bread crust starts to shrink from the sides of the casserole. Yield: 6 servings.
