

AMONG THE Churches

Christ Temple,
26th and Burdette Sts.,
O. J. Burckhardt, Pastor,
Mrs. Verda Gordon, reporter.

Sunday following our three weeks meeting, we had a quiet day, the S. S. was light in attendance. The 11 a. m. service was also light in attendance. The League had a short but interesting program under the direction of Mrs. Edna Mitchell who is the teacher. Elder Irving brought us a splendid message at 11 a. m. and Elder Stearns brought a great message at 8 p. m. All enjoyed it.

We are all still enthused over the great truths that Elder D. J. Washington brought us during his three weeks stay with us. We expect a good day Sunday. You are cordially invited to come and worship with us. We have a choir that can truly sing. You should hear them.

Pilgrim Baptist Church
25th and Hamilton Streets,
Rev. James H. Dotson, Pastor.

Sunday school was conducted at the usual time with the Supt. Booker T. Gordon in charge. The school is increasing and from one to four enroll every Sunday.

BYPU was held at six o'clock p. m. Roy Gordon the Vice President was in charge. Mr. Dacus went visiting. We missed him very much but Roy is always on the job and is making good. Group No. 4, presented a Halloween play which was very good. The characters were Dorothy Davis, Mildred Dotson, Annie Pearl Harris, Dorothy Gatus, Grover Lee Marshall, Leroy Mills and David Hall. Several girls took part in the singing from the Junior department. The songs were composed by Miss Roberta Pharr and were in keeping with the BYPU. A large number was present. As usual the pastor

was present and gave the closing remarks.

The Heart to Heart Club was entertained Tuesday by Mrs. Sarah Young at her home on Binney Street. Mrs. Marshal entertained the Ever Loyal at her home on Franklin St. A good number attended both clubs. The Heart to Heart is sponsoring a Deaconess rally to end early in December. Help your favorite Deaconess. The Ever Loyal will have a 'TEA' the second Sunday in November at the home of Mrs. Mattie Smith on Hamilton St. Tickets are out, admission 15 cents.

Mrs. Hester Smith entertained the Willing Workers Club, Thursday afternoon at her home on Seward St. Two new members joined, Mrs. Gussie Smart and Mrs. Mary Sims. The next meeting will be at the home of Mrs. Gussie Smart, on Burdette St.

Services were good all day last Sunday. In the morning the pastor Rev. Dotson filled the pulpit preaching from the subject "The Man That Went to Hell, Fleeing from God." He was at his best, and all present seemed to have enjoyed the sermon. When the invitation was extended one young man yet in his teens, came forward and joined the Church for Baptism, making a total of four for Baptism this month, all to be baptized the first Sunday afternoon at three o'clock. At this time, Rev. F. P. Jones of Mt. Moriah and his good folk, will commune with us.

In the evening Rev. Shanks a minister from Ireland filled the pulpit. He will be leaving soon to take up a pastorate in Canada. He preached a very good sermon.

We noticed quite a few visitors present at morning and evening services. Come again. You are always welcome.

The members from Pilgrim attend-

August 3, 1932
Dr. G. B. Lennox,
1602 1/2 North 24 Street,
Omaha, Nebraska.

Dear Sir:
I am writing you in regards to the employment situation in the north end of Omaha among the Colored citizens; a large number of whom are your tenants; and some are buying property from you. I am quite sure you had not observed the seriousness of this situation, and perhaps you have not realized to what extent this unfortunate body of people have been.

I have been a customer of yours for the past 8 or 9 years, and I have tried to be very prompt in taking care of my accounts. I have spent a considerable large sum with your company; carrying tenants who have paid me well, or as they should each month when the rent comes due, and they have been doing this for 4 or 5 years.

This body of people are not receiving the proper consideration they should, in proportion to the amount of money they spend with these different concerns. When one takes into consideration, corporations such as the Telephone Company, Nebraska Power, Metropolitan Utilities District, Paxton & Gallagher, and other businesses that we patronize; representing from 11,000 to 14,000; which is at least 5% of the city's population; each concern makes our group "the last to be hired, and the first to be fired" and they stand at the bottom of the list when it comes to being given a fair consideration, regardless of how they support a business. They are human and act similar to any other body of people if given a chance. They are dependable, appreciative, trusty and fair and are anxious for an opportunity to make good.

These businesses that they are helping to fortify, expect the same fee as regular from them, as they do of others, but regardless of qualifications they are given the least consideration. I am sure this body of people have meant a great deal to your Association. Many of them are anxious to save their homes, and will if given an opportunity. If work was plentiful, matters would be perhaps somewhat different; but wherever there is employment, after every other nationality is served, this group is then given consideration, or that which is left; often they are not considered at all.

I am sure you realize the same as I, the more intelligence one has the better equipped he is to prepare himself for the necessities of life; the more comfortable and inviting he can make his surroundings to guard himself against diseases, and the more desirous he can fit himself for the situation; regardless of nationality. If every man was given a fair chance, there would be no discrimination as to employment or business transactions; no confusions or ill feelings, but every one made happy; not speaking from a social stand point of view, for that is not to be considered.

I know that you have any number of houses in this community, and perhaps you and several of those employed on your staff are members of the Omaha Chamber of Commerce, or some other organization that is banded together for the betterment of the city. I was thinking if there is not some way that you can influence these different corporations to give this body of people a more fair consideration, in regards to the amount of money they spend with you and other different organizations. We shall be happy to know you have given us consideration which is greatly needed; and this perhaps will be a wonderful help to you in keeping your books up to date, and helping any number of property buyers to hold on.

Many businesses have used this body of people as a means to an end. Any number of concerns have given them satisfaction to the extent that "they were going to do," but this is often the end of such consideration, and no further action is taken on same, and I am appealing to you for a body of people who are not in a position to help themselves and are anxious for a chance.

If there is anything you can do to help better this situation, and bring about a fairer consideration, it will be highly appreciated among this group of people.

Thanking you for whatever consideration you may give, I am
Respectfully yours,
Dr. G. B. Lennox

Reduction in 1931-32 \$ 2,971,823.92	

1. Favors repeal of the intangible tax law which gives to the man with his money invested in securities, a 75% advantage over the man whose money is invested in a farm or a home.
2. Favors the enactment of a law to reduce the interest rate on delinquent taxes from 12% to 8%.
3. Favors repeal of the deficiency judgement law, which permits the mortgage holder, after foreclosing his mortgage to take a deficiency judgement against the land or lot owner if the land or lot does not sell for enough to satisfy the mortgage. The land ought to be the sole security for the mortgage.
4. Favors a State income tax for the purpose of equalizing taxes between the farmers and the holders of intangible property now untaxed. All money collected from an income tax to be used to reduce taxes on farms and houses and not as an additional tax.
5. Favors farmers organizing and cooperating to promote orderly marketing and holds that the State can afford to encourage these movements by financial assistance.
6. Reduced State taxes 1931-32; \$2,971,823.92 or approximately 25%.
7. Brought about a reduction in the valuation of farm and home property for taxation purposes.
8. Favors legislation to further reduce and equalize taxes so as to give the farmers a 'break'.

HELP GOVERNOR BRYAN HELP YOU BY REDUCING STATE TAXES STILL FURTHER.

IF YOU FAVOR GOVERNMENT ECONOMY AND LOWER TAXES VOTE FOR

Congressman "MAC" BALDRIGE

He belongs to the Congress Economy Block. He is against "government in business". He voted for the Reconstruction Finance Corporation to protect the jobs of thousands of Omaha Railroad employes. Baldrige represents this district better than any other candidate could represent it.
