Race prejudice must go. The Fatherhood of God and the Brotherhood of Man must prevail. These are the only principles which will stand the acid test of good citizenship in time of peace, war and death.

(1) We must have our pro-rata of employment in businesses to which we give our patronage, such as grocery stores, laundries, furniture stores, department stores and coal companies, in fact every concern which we support. We must give our citizens the chance to live respectably. We are tired of educating our children and permitting them to remain economic slaves and enter into lives of shame.

(2) Our pro-rata of employment for the patronage to our public corporations such as railroad companies, the street car company, the Nebraska Power Company, the Northwestern Bell Telephone Company and other establishments which we are forced to support by right of franchise. Also our pro-rata of employment in return for the taxes we pay in our city, county state and federal government.

(3) To encourage the establishment of a first class hospital that we may get the best that there is in medical science from our doctors whom we know to be nearest us, also to encourage a high respect of them and encourage more of our girls to take nurse training.

(4) A one hundred per cent department of our citizens in our public or private places of business, especially on street cars. If we are to be respected we must act respectfully, especially in public places where we are constantly before the public's eye.

(5) A one hundred per cent membership in the Omaha branch of the NAACP. should be had to encourage the efforts put forth by the founders of the organization and to assist the general office to establish a five million dollar endowment fund to maintain operating expenses and to further the principles of the NAACP. All people of all races must be educated up to a higher principle and a more thorough understanding of interracial relationship that our country may in reality be a government of the people, for the people and by the people in whole and not in part.

(6) The re-establishment of the Christian Religion as Christ taught it, for the uplifting of mankind, eliminating financial and personal gain. A practical Christian Religion, week day as well as Sunday. An attitude toward our fellowman as a brother in order to establish a principle which will guide the destiny of each other's children; our neighbor's children today are our children tomorrow.

(7) Courteous treatment in all places of business and the enforcement of the State Civil Right Law.

(8) To encourage and assist in the establishment of the following financial institutions near 24th and Lake Streets: A building and loan association, a state bank, and, also, a first-class trust company for the purpose of administering aid and assistance to our widows and children.

(9) To encourage the erection of a one hundred thousand dollar Young Men's Christian Association Building near 24th and Lake Streets.

(10) To enlarge the Young Women's Christian Association that it may supply sufficient dormitory accommodations.

(11) To teach our citizens to live economically within their earning capacity by printing in each issue a budget system for various salaries.

(12) To make Omaha a better city in which to live by inaugurating a more cosmopolitan spirit among our American citizens.

(13) To put a stop to the Divorce Evil by passing a State law making the mistreatment of a wife or a husband by either of them, a criminal offense to be decided by a jury, first offense, jail sentence of a short duration; second offense, one of longer duration; third offense, from one to five years in the penitentiary. This, we believe will make men and women think before marrying.

(14) We must become owners of the city government by paying a seemingly higher salary to those whom we employ to administer its affairs, a salary that will attract men of high calibre.

National

(1) Fight for a passage of the Dyer Anti-Lynch Bill and thus stop the shameful lynching of American citizens.

(2) One of our citizens in the president's cabinet.

(3) Federal control of the educational system that every child must have a high school education.

(4) Assist in the furtherance of research by our scientists and historians to prove that civilization was first founded in Africa.

(5) Establish a political influence which will bring about our pro-rata of higher appointments made by our chief executives.

(6) Stop graft in politics by passing a Federal Law making election day a legal holiday and compelling every American citizen of voting age to vote.

(7) Prevent further wars by teaching the so-called white race that it is high time for them to quit fooling themselves about white supremacy with only three-tenths of the world's population. They must be taught that color is due to climatic conditions. They must be taught that seven-tenths of the world's population is made up of darker races. They must be taught that the rays of sun that blaze upon the equator and turn the skin brown do not affect the power of the brain any more than the coldness of icy glaciers affect the brain of the white race; and that the darker races will not continue to be crushed by a money mad few. If the Fatherhood of God and the Brotherhood of Man are not welded into the hearts of this world's family now, by teaching the principles laid down by our Saviour, it will be welded into the hearts of our

children some day soon, on the bloodiest battlefields this world has ever known.

(8) Cut down congressional representation from the Southern States in proportion to the number of votes cast.

SHALL WE REPEAL

Nebraska district headquarters of the Crusaders, an organization in favor of the repeal of the 18th Amendment to the Constitution of the United States, Monday sent out a questionnaire to 270 Nebraska Congressional and Legislative candidates regarding their stand in reference to the 18th Amendment.

Replies to this questionnaire will be tabulated and the results will be announced at a later date through the daily and weekly newspapers of the state.

The Women's organization for National Prohibition Reform is cooperating with the Crusaders in endorsing candidates favorable to their cause. Candidates were asked to express their preference as to whether first, they favored re submission to the voters, second, whether they favored direct repeal of the 18th Amendment and third, whether they favored the 18th Amendment.

Answers to the questionnaire were requested by October 22. Fifty replies were immediately received the day after the questionnaire was mailed out.

"We are conducting this questionnaire in order to inform the voters of Nebraska regarding the standpoint of various candidates," said Frank C. Yates of Omaha, acting Commander of the Crusaders in Nebraska. "This is a part of the national campaign and similar polls are being taken in other states."

Paul F. Halpine, 220 Keelnie Building, Omaha, is secretary of the Nebraska division and sent out the questionnaire from his office.

JAMES A. RODMAN
CANDIDATE FOR
STATE SENATOR
6th District

Congressman Malcolm Baldrige

Congressman Malcolm Baldrige in a final statement issued before the November 8 election pledged himself, if re-elected next Tuesday, to continue the constant fight for government economy that he has waged during the past term of Congress, in an effort to save the taxpayers of this district through drastic reduction of national expenditures.

"Regardless of the outcome of the election, I promise to do all in my power to see that government economy becomes a reality," said Baldrige. "If the voters of this district send me back to Washington, I shall endeavor to heed their wishes and work for whatever legislation benefits this district, no matter by which political party the particular legislation is sponsored.

"As a republican, I naturally hope for a republican Administration, but I promise to support the Presidential nominee whom the majority of the voters of this nation elect. I believe that the experience which I have gained during the past session of Congress will help me to be of even greater service to the people of this district, if I am returned to office next Tuesday."

Congressman Baldrige said he would vote to eliminate the interest on the Soldier Bonus, if re-elected. J. R. Dunlap, assistant U. S. Secretary of Agriculture, said in a speech at Springfield, Neb., Saturday night: "Congressman Malcolm Baldrige has done more for his district in the short time he has been in Congress than have any other Congressman. I have personally seen Mac. Baldrige working in Congress and I consider him one of the most effective fighters for government economy among our newer Congressmen."

Democratic and republican voters of the Second district are behind Baldrige because they appreciate his economy fight.

THE REAL MAN

HARRY G. COUNSMAN
by John Benj. Horton, Jr.

It is a pleasure to say that the Colored people of Omaha have always had a friend in Harry G. Counsman. I speak of every Colored person in Douglas County, also Mr. Counsman is one of the very few Commissioners ever to accord us our rightful degree of fairness in matters of taxation as well as ordinary everyday courtesies. Certainly this is the opportune time to keep Harry G. Counsman 'On the Job', because we never could attain our rightful consideration in all matters of County Government if Douglas County were flooded with five democratic County Commissioners, to foolishly make unnecessary appropriations and spend the County's money like 'wildfire.'

Don't Forget! THE NAME IS:—HARRY G. COUNSMAN, Republican Candidate for Re-election, Nov. 8th

MEETING CHRIS A. TRACY

by C. H. Burdette, reporter

Last Monday, I walked into Mr. Tracy's office on the second floor of the Court House to find out how the Chief Deputy record papers of value were kept. He and Mr. Willis Gray his efficient colored assistant, took me up on a little gallery where the oldest records are kept. Mr. Tracy showed me a record of a piece of property that dates way back into the 19th century, when the government was giving homesteads to people who settled in Nebraska. Large books containing bond transfers, deeds and papers of value can be recorded here at a small cost of \$1.00, for each \$1,000. Mr. Tracy talks enthusiastically when you ask him questions concerning his work. He seems to be accurately fitted in his position. We left the balcony where the old deeds were kept on the last floor of the office. Mr. Tracy showed me where the first piece of property I spoke of, had been mortgaged, sold, transferred, mortgaged and sold again. Mr. Tracy has worked in this office for 17 years, under the late Harry Pierce and is now acting Chief Deputy. If the election breaks in his favor, he will resume his duties as recorder of deeds. "Willis Gray is as competent a man as can be found, he tells me." People who are interested in our advancement will vote for Mr. Tracy and keep Willis Gray in his office.

DR. PERKINS' CASE

Once again, the hatred of the ruling class of Oklahoma has fallen on one of our brothers. Just as in the case of Jess Hollins, a young negro worker sentenced to death because he demanded the wages due him as a farm hand, so is the case of Dr. Perkins, who has just been sentenced to fifteen years because of his stand in defense of his race against the KKK of Oklahoma. The International Labor Defense has taken up his case and is trying to get him out on appeal to give Dr. Per-

kings a chance to fight for his life instead of being shut up for fifteen years to rot in the jails of Oklahoma. Protests are asked to be sent in to Governor Murray to Help stop these conditions of persecution and lynching that our people have to suffer under this rotten capitalist system. Anyone wanting to help in this case, either by funds or protest can call on Sue Stalker at 1410 No. 20th St.

CANDIDATE FOR REGISTER OF DEEDS

Mr. Thomas J. O'Connor, candidate for Register of Deeds makes statement:

My attention has been called to false rumors about my position on giving Colored Citizens their pro-rata of employment. Some of my enemies have gone so far as to state that if I was elected no Negro would be employed in the Register of Deeds office. This is absolutely false and contrary to every principle I have ever advocated in the City of Omaha. Not only will I give the Negroes their full pro-rata of employment in my office, if elected, but I will also do all that is in my power to assist the Omaha Guide in its pro-rata Program to help secure the Negro full rights in proportion to the taxes he pays and the votes he casts in every place in the City, County and State where taxes are used for employment.

Judge Thomsen

ARTHUR C. THOMSEN
District Judge Arthur C. Thomsen, present presiding judge of the District Court, is a native Nebraskan and dean of the law school at the University of Omaha.

With nineteen years of law experience Judge Thomsen has established a remarkable record on the district court bench. He has had only three reversals out of 23 cases appealed. Quoting the Chief Justice of the Supreme Court of Nebraska: "The average of affirmances throughout the country is less than 60 percent," Judge Thomsen's affirmances record is more than 86 per cent.

Judge Thomsen has enjoyed an excellent record for settlements. His efforts in encouraging and inducing settlements has resulted in ending many cases without trial, satisfying the parties, and saving the County and State much money.

He has been endorsed and recommended by the Omaha Bar Association and Bar of the Fourth Judicial district, which includes Washington, Douglas and Burt counties.

Another feature of Judge Thomsen's record is: established money-saving procedure in trial court, declared by Supreme Court in 120 Nebraska reports, at page 751, as "in line with the modern prevailing tendency toward practicalism which seeks to shorten and to simplify judicial procedure."

Judge Hastings

Residents of the Fourth Judicial district, regardless of party affiliations, who are interested in good government and the election of capable judges, are strongly urging the election of District Judge William G. Hastings to the district bench of Douglas, Washington and Burt counties.

Judge Hastings is considered one of the best judges ever to grace the Nebraska bench, according to former District Judge Fred A. Wright, now city attorney of Omaha, who sat with Hastings as a member of the district bench. Former Supreme Judge Frank
