**MRS. ARDINA WATSON RESIGNS FROM THE CARTER CHARITY AND BENEVOLENT CLUB**  
 Mrs. Ardina Watson, who eleven years ago, organized the Carter Charity and Benevolent Club, severed her connections with the organization on April 6th. Mrs. Watson has been acting president since the club was founded.  
 It is with a feeling of sadness that Mrs. Watson resigns for she loves the work and the ideals for which the club stands. Now that the club has become self functioning and self-sustaining, Mrs. Watson feels that she can better devote her efforts in other fields of service and it is with this thought in mind that she has resigned from the organization to which she has given eleven years of love and service.

Mrs. Buckner studied Voice Culture at the Conservatory of Music of Omaha University for 2 years. She is also a graduate of the California School of Cosmology.

Our second team, the "Harlem 400" won third place in this league. Both teams entered the other league of the YMCA, but lost their first games.  
 A delightful dinner was given by the boys at the Center honoring both teams, Saturday March 18th. Our Head Worker, Miss Gauss, and staff members of Woodson Center were honored guests. Boys of both teams furnished the program, which consisted of yells, songs, and short talks by the managers of the two teams. Both managers agreed that it was the fine cooperation and hard work of the teams as a whole that won for the Senior team the much coveted championship.  
 Our girls' Basketball team played several games with the girls of the Northside YWCA. Some of the games were played in the Settlement gym and the others were played in the YWCA gym. Mrs. Thelma Hancock is the coach for the team.

**Youthful Strength**  
 Dr. Magnus Hirschfeld, the world-known authority on Sexology and Director of the Institute for Sexual Science of Berlin, Germany, created  
**TITUS-PEARLS**  
 to help the millions of men and women who have lost or are losing their vital physical power. In his 35 years of practice and research, however, he realized that the weakening of man's glands was also responsible for other troubles: High blood pressure, hardening of the arteries, physical exhaustion after work or exercise, dizziness, depression, neurasthenia, etc.  
 All these troubles can be removed with Titus-Pearls. Numerous cases were treated by Dr. Hirschfeld in his Berlin Institute.  
 L. S. (State Official; 60 years old, married) complained of physical exhaustion, dizziness and tremors. Was easily tired. Mental power dull and slow moving. Physical powers had been incomplete for previous 5 years. Blood pressure too high. Given 2 Titus-Pearls 3 times a day, 2 weeks later the medical report on this man was: general health better, more vigor; dizziness much less and returning of power. Treatment continued and 2 weeks later L. S. reported again, this time to say that all weariness and exhaustion had gone; he felt fresh and buoyant. His blood pressure had fallen, and at 60 years of age he had regained the physical power and virility that he had known in the prime of his life.  
 Start regaining your youthfulness now! Today! In 2 weeks time you will be aware of the new, virile force within you. Send \$5.00 (cash registered or money-order) for 2 weeks treatment. C. O. D. Orders accepted. Write for Booklet.
